

New Student Registration Health Records

All students entering Point Road Elementary are required by the district policy and NJ state law to have all of the following documents:

1. A valid immunization record that includes ALL of the following immunizations:

- DTaP (Diphtheria, Tetanus, Pertussis)
 - Any 5 doses or any 4 doses with the last dose given after the 4th birthday.
- IPV (Polio)
 - Any 4 doses or any 3 doses with the last given after the 4th birthday.
- MMR (Measles, Mumps, Rubella)
 - Two doses, the first given after the first birthday
- Varicella (Chicken Pox)
 - One dose given after the first birthday (2 is suggested)
- HBV (Hepatitis B)
 - Three doses

Preschool needs all the above **plus**:

Pneumococcal: 1 dose, 1 of which is given after child's first birthday

Hib: 1 dose, 1 of which is given after child's first birthday

Influenza: 1 dose given **between september and december** every year the child attends the preschool program

** Please note that exemptions can be made for students who provide either:

- A written statement signed by a parent or guardian explaining how the administration of immunizing agents conflicts with the pupil's exercise of bonafide

religious tenets or practices. General philosophical or moral objection to immunizations shall not be sufficient for exemption.

- A written statement from a physician stating that a specific immunization is medically contraindicated.

2. A health physical that has been completed and signed by a physician within 365 days of the pupil's registration to school.

3. An updated health history record that has been completed and signed by a parent or legal guardian.

4. An emergency contact form with valid points of contact that can be reached should your child encounter an emergency situation while at school.

If you need help obtaining any of the documents listed above please contact either the main office at 732-741-4022 or the nurse's office at 732-741-4022 ext 2040 for further assistance.
