

Policy

TUITION

The Little Silver Board of Education will charge and assess tuition for students attending this school district that are not entitled to receive a free public education in this district or from a student's sending district for the student attending this school district as provided for by State statute.

A receiving public school district board and a sending public school district board will establish a written contractual agreement for the ensuing school year with a tentative tuition charge multiplied by the estimated average daily enrollment in accordance with N.J.A.C. 6A:23A-17.1(f). The sending district is required in the contractual agreement to pay ten percent of the tentative tuition charge no later than the first of each month from September through June of the contract year. Adjustments will be made in accordance with N.J.A.C. 6A:23A-17.1(f).

The Executive County Superintendent in the county in which the receiving district is located should be consulted to mediate disputes that arise from tuition matters as defined in N.J.A.C. 6A:23A-17.1(f)5

With the consent of the board upon such terms, the Little Silver School District may admit nonresident students on a tuition basis pursuant to N.J.S.A. 18A:38-3.

The school business administrator/board secretary shall be responsible for the assessment and collection of tuition.
