Dear Parents,

Today there were two Monmouth County Schools, the Marlboro Jewish Center Nursery School and the Dean Porter School in Rumson, that received bomb threats. Every “threat” is treated with legitimacy.

As you know, our district practices a variety of school safety drills on a monthly basis. No matter how often we practice, it is always unnerving to go through these drills let alone receive a potentially credible threat.

The school district maintains a very close working relationship with the Little Silver Police and we will continue to refine our practices in order to maintain the safety of your children.

Sincerely,

A handwritten signature in black ink that reads 'Carolyn M. Kossack'. The signature is fluid and cursive.
