Dear Parents,

With Spring Break behind us, the next two months of the school year will fly by. The end of the school year typically brings some changes in staffing, and this year is no different.

Over the past four years, I've had the great pleasure of working with Dr. Christie Schutz-Robinson, Director of Special Services. Dr. Schutz-Robinson has brought a high level of energy and integrity to her position. She is very passionate about ensuring that the needs of our students are met. As Director of Special Services, she is continuously faced with challenges. She has always worked diligently to balance parental requests with Board obligations, while keeping the needs of the students at the forefront of all decision-making.

Dr. Schutz-Robinson's contributions have been invaluable. Therefore, it is with mixed emotions that I announce her departure from the district at the end of this 2016-17 school year. Dr. Schutz-Robinson has been offered a position in a much larger district, affording her the opportunity for great professional advancement. This is a wonderful opportunity for Dr. Schutz-Robinson. Her contributions to our district over the past four years have been countless.

On Thursday, April 27th, Dr. Schutz-Robinson's new district will be approving her contract, and the Little Silver Board of Education will, regretfully, accept her resignation.

In order to secure another high-quality candidate to fill Dr. Schutz-Robinson's position, the district will immediately advertise for the opening. While there are big shoes to fill, the district is committed to securing a replacement that will be as dedicated to the educational advancement of students as Dr. Schutz-Robinson has been.

While I am sad to see her leave, please join me in congratulating Dr. Schutz-Robinson on her continued success.

Sincerely,

Carolyn M. Kossack
Superintendent of Schools
