**November 14, 2023** 

Honorable President and Members of the Board of Education Little Silver School District County of Monmouth, New Jersey

#### Dear Board Members and Constituents:

The comprehensive annual financial report of the Little Silver School District (hereinafter, the "District") for the fiscal year ended June 30, 2023, is hereby submitted. Responsibility for both the accuracy of the data and completeness and fairness of the presentation, including all disclosures, rests with the management of the Little Silver Board of Education ("Board"). To the best of our knowledge and belief, the data presented in this report is accurate in all material respects and is reported in a manner designed to present fairly the financial position and results of operations of the various funds and account groups of the District. All disclosures necessary to enable the reader to gain an understanding of the District's financial activities have been included.

The comprehensive annual financial report is presented in four sections:

The Introductory section includes this transmittal letter, Certificate of Excellence in Financial Reporting (ASBO), the Management Discussion and Analysis, the District's organizational chart and a roster of officials.

The financial section includes the general purpose financial statements and schedules, as well as the auditor's report thereon.

The statistical section includes selected financial and demographic information, generally presented on a multi-year basis.

The Single Audit Section - The District is required to undergo an annual single audit in conformity with the provisions of the Single Audit Act and Title 2 U.S. Code of Federal Regulations (CFR) Part 200 *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* (Uniform Guidance), and the NJOMB Circular Letter 15-08, "Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid". Information related to this single audit, including the auditor's report on the internal control structure and compliance with applicable laws and regulations and findings and recommendations, are included in the single audit section of this report.

1) <u>REPORTING ENTITY AND ITS SERVICES</u>: Little Silver School District is an independent reporting entity within the criteria adopted by the Governmental Accounting Standards Board (GASB) as established by NCGA Statement No.3. All funds and government-wide financial statements of the District are included in this report.

The Little Silver Board of Education and both its schools constitute the District's reporting entity. The Little Silver School District provides a comprehensive full range of educational services appropriate to grade levels Preschool Handicapped through 8. The programs include regular instruction and special education for both special needs and for handicapped children in and out of district. The District provides a variety of after school activities which includes but not limited to band, chorus, computer club, and athletic activities. The District provides transportation for students who live 2 miles from Point Road Elementary school and any student who requires special education transportation.

The programs are provided at two locations: Markham Place Middle School (built 1934) on Markham Place and Point Road Elementary School (built 1955) on Little Silver Point Road. There are **64 employees at the middle school, 69** at the elementary school and 11 in district positions. School enrollment during 2023-2023 was 381 middle, 352 elementary school, and 5 out of district students.

2) <u>ECONOMIC CONDITION AND OUTLOOK</u>: Little Silver (2020 population of 5,772) is a suburban community whose residents mainly are professionals who work in corporations in the area or commute to New York City. Most of the area has been developed and there is little commercial enterprise.

Little Silver was named a borough in 1923 based on results of a referendum held in April 1923. It is comprised of approximately 3.32 square miles within Monmouth County. The original farms and nurseries have almost all been replaced by housing today and its location on the Shrewsbury River makes it a popular destination for water sports enthusiasts.

Little Silver Borough has approximately 5,772 residents comprised of 2,043 households. The average median household income was \$179,391 and about 1.4% of the population is below the poverty line. The local municipal government is comprised of the Mayor and Borough Council will all positions elected at large on a partisan basis as part of the November general election. The Borough Council has six members who serve three year terms on a staggered basis. The borough uses a "weak mayor/strong council" approach were the council members act as a legislative body with the mayor presiding at meetings and voting only in the event of a tie.

The school system is highly valued by local residents. Students in Little Silver attain very high scores on performance assessments, placing the school system year after year in the top five percent in the state academically. 64% of the professional staff holds advanced academic degrees, and there is a great deal of emphasis on continuing professional development.

The Education Foundation of Little Silver, created in 1995, provides additional resources for innovative educational programs with an emphasis on the support of technology and curriculum subscriptions in the schools. The Little Silver Parent Teacher Organization is also very generous with its support in enrichment and enhancement of the educational program of the schools.

Little Silver Schools have formed innovative partnerships in education with both corporations and local universities to further the implementation of academic programs and technology. There is a high level of participation by parents and the community members with the school system including making the facilities available for Little Silver's Recreation programs, PTO Extracurricular Afterschool Program, Boy Scouts, Girl Scouts, travel teams and adult recreational activities. The district has the parents involved throughout the school year in many activities such as: Back-to-School Nights, Family Activity Nights and Curriculum programs.

We recognize that the state and federal economic conditions continue to create a relatively uncertain economic environment for all entities, including the school district. The District is doing its part to maintain a responsible

budget by keeping our cost per pupil below the state average. The district's administration closely monitors the cost of operations and continues to look for new funding sources and grant opportunities to maintain the quality educational services the district has been accustomed to providing.

3) <u>MAJOR INITIATIVES</u>: The Little Silver School District remains competitive with comparable communities in educational performance.

Implementation of the goals through specific objectives is a continuous process. However, implementation of the specific objectives occurs within specific timelines. The goal in progress for 2023-2023 were continuing efforts begun in prior years and are as follows:

Goal: To provide continued professional development to support "highly effective" instruction. Status: Many professional development activities were accomplished in the 2023-2023 school year. The district has provided multiple in-service days and training sessions for the staff. Many workshops were also presented during the year including parent workshops (i.e. Café after Dark, Curriculum Café). These workshops support the focus on federal and state mandated use of technology as well as the implementation of New Jersey Student Learning Standards and PARCC for both regular and special education. Little Silver Schools is also a member of a number of networks and consortiums, which provide professional development on a shared-cost basis.

The Enrichment Committee also explored, evaluated and updated various identification methods to identify gifted and talented learners. District policies were updated, parent workshops were developed, and staff training was implemented.

Goal: To promote student growth and achievement through enhancing learning practice and

Status: The district revised and developed curricula that incorporate lessons to address learning loss issues due to COVID-19.

Social and emotional health, LBGTQ, growth mindset, and respect for vulnerable populations. The elementary school piloted the envisions Math program called was utilized in 2023-2023 school year.

Goal: To cultivate the social-emotional development of students.

Status: The district developed an SEL Committee. The committee researched surveys available to staff and students. The committee will continue to implement the survey in the new school year.

Goal: To increase the volunteerism of the community.

Status: Point Road Elementary hosted the Book Lover's Ball, SciVention Convention, Kindergarten Arbor Day, and community arts. Markham Place hosted chorus and band performances, the school play, and the Arts & STEM Showcase. The students' participated in Cyberpatriots challenges and film festivals.

Goal: To research new technologies to enhance School Safety and Security

Status: The district continues to add additional cameras to the interior and exterior of both buildings with the best placement through our partnership with the local police department. The front door cameras were replaced with 4k models. The swipe system in both buildings has been replaced with additional doors added to the system.

Goal: To improve and upgrade district facilities and procedures to become more "Future Ready"

Status: The district is 1:1 Chromebooks for preschool through eighth grade. Staff was given access to promote virtual learning through GoToMeeting and Zoom. The staff was also given the ability to use Screencastify for virtual learning. The broadcasting studio implemented new editing software for video production. A new web filter was configured and deployed to all district devices. Facilities were assessed for needs by architects and engineers. Building projects to address these needs are in the process of being planned with a referendum vote to occur in the Fall of 2023.

Goal: To explore diverse means of generating revenue to support the district's budget

Status: The district sold outdated technology equipment to a vendor for revenue. The district researched a vendor to provide technology insurance for all 1:1 Chromebooks that will then be paid by parents. This was also the second year the district provided Pay to Play for extracurricular activities. The district wrote a grant for one grade level worth of Chromebooks provided by the Education Foundation of Little Silver. The Parent Teacher Organization donated 4<sup>th</sup> and 8<sup>th</sup> grade furniture.

#### **Long-Term Planning:**

As we look to the future of Little Silver Schools the following assumptions are made:

- School personnel and healthcare cost have the largest impact on the school budget. Therefore, it will have a significant role on our future budgets.
- Tax levies for the school district cannot exceed 2% unless we meet one of the few exceptions. This means our cost, many of which are beyond our control must remain within the tax levy cap.
- All other controllable expenditures will be held to an inflationary growth of 2% or less in future budget cycles.
- The District has continued to add to Capital and Maintenance reserves despite the 2% tax levy cap and slightly increased state funding so it will be able to address needs that will arise to improve or add to our existing facilities.
- The District will review the debt timeline to determine needs.

The District updated the five year strategic plan to identify and prioritize projects. The District worked with the architect firm to determine a long term facilities assessment. The district will continue advocating for necessary funding from funding resources such as school funding formula and extraordinary aid. The District will annually review the plan as part of the budget process.

4) INTERNAL ACCOUNTING CONTROLS: Management of the District is responsible for establishing and maintaining an internal control structure designed to ensure that the assets of the District are protected from loss, theft or misuse and to ensure that adequate accounting data is compiled to allow for the preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP). The internal control structure is designed to provide reasonable, but not absolute, assurance that these objectives are met. The concept of reasonable assurance recognizes that: (1) the cost of a control should not exceed the benefits likely to be derived; and (2) the valuation of costs and benefits requires estimates and judgments by management.

As a recipient of federal and state financial assistance, the District also is responsible for ensuring that an adequate internal control structure is in place to ensure compliance with applicable laws and regulations related to those programs. This internal control structure is also subject to periodic evaluation by the District administration.

As part of the District's single audit described earlier, tests are made to determine the adequacy of the internal control structure, including that portion related to federal and state financial assistance programs, as well as to determine that the District has complied with applicable laws and regulations.

5) <u>BUDGETARY CONTROLS</u>: In addition to internal accounting controls, the District maintains budgetary controls. The objective of these budgetary controls is to ensure compliance with legal provisions embodied in the annual appropriated budget approved by the voters of the municipality. Annual appropriated budgets are adopted for the general fund, the special revenue fund, and the debt service fund. The final budget amount, as amended for the fiscal year, is reflected in the financial section. P.L. 2011, c 202 allowed school districts to elect to eliminate the budget vote and adopt a budget approved by the Board of Education and the New Jersey Department of Education (NJDOE) providing that the tax levy increase does not exceed 2% plus any allowable waivers.

An encumbrance accounting system is used to record outstanding purchase commitments on a line item basis. Open purchase encumbrances at year-end are either canceled or are included as re-appropriation of fund balance in the subsequent year. Those amounts to be re-appropriated are reported as reserves of fund balance at June 30, 2023...

- 6) <u>ACCOUNTING SYSTEM AND REPORTS:</u> The District's accounting records reflect generally accepted accounting principles (GAAP), as promulgated by the Governmental Accounting Standards Board (GASB). The accounting system of the District is organized on the basis of funds and account groups. These funds and account groups are explained in "Notes to the Financial Statements", Note 1.
- 7) <u>FINANCIAL INFORMATION AT FISCAL YEAR-END</u>: As demonstrated by the various statements and schedules included in the financial section of this report, the District continues to meet its responsibility for sound financial management. Readers should refer to the Management's Discussion and Analysis for a summary of the financial statements in relation to the prior year.
- 8) <u>DEBT ADMINISTRATION</u>: At June 30, 2023 the District's outstanding debt issues included \$880,000 of general obligation bonds. Annual payments on the outstanding debt are made timely and the district continuously searches for the opportunities to refund existing debt at a savings to the district.
- 9) <u>CASH MANAGEMENT</u>: The investment policy of the District is guided in large part by state statute as detailed in "Notes to the Financial Statements", Note 2. The District has adopted a cash management plan that requires it to deposit public funds in public depositories protected from loss under the provisions of the Governmental Unit Deposit Protection Act ("GUDPA"). GUDPA was enacted in 1970 to protect Governmental Units from a loss of funds on deposit with a failed banking institution in New Jersey. The law requires governmental units to deposit funds only in public depositories located in New Jersey, where the funds are secured in accordance with the Act.
- 10) <u>RISK MANAGEMENT</u>: The Board carries various forms of insurance including but not limited to general liability, flood liability, cyber liability, automobile liability and comprehensive/collision, hazard and theft insurance on property and contents, and fidelity bonds.
- 11) OTHER INFORMATION: Independent Audit: State statutes require an annual audit by independent certified public accountants or registered municipal accounts. The accounting firm of Jump, Perry and Company, LLP, was selected by the Board of Education. In addition to meeting the requirements set forth in state statutes, the audit also was designed to meet the requirements of the Single Audit Act of 1996 and the related Uniform Guidance and State Treasury Circular Letter 15-08. The auditor's report in the basic financial statements and combining and individual fund statements and schedules is included in the financial section of this report. The auditor's report related specifically to the single audit is included in the single audit section of this report.

Awards: The District had applied to the Association of School Business Officials (ASBO) International for the "Certificate of Excellence in Financial Reporting" for its comprehensive annual financial report for the fiscal year ended June 30, 2018. This is the third year that the District has received this prestigious award. In order to be awarded this certificate, the District published an easily readable and efficiently organized comprehensive annual financial report. This report satisfied both accounting principles generally accepted in the United States and applicable legal requirements.

The Certificate is valid for a period of one year only. We believe that our current comprehensive annual financial report continues to meet the Programs' requirements and we are submitting it to ASBO to determine its eligibility for another certificate.

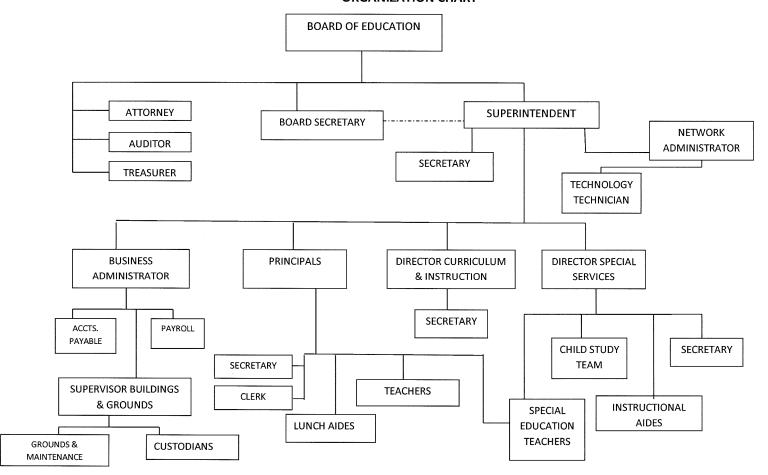

12) <u>ACKNOWLEDGEMENTS</u>: We would like to express our appreciation to the members of the Little Silver Board of Education for their concern in providing fiscal accountability to the citizens and taxpayers of the school district and thereby contributing their full support to the development and maintenance of our fiscal operation. The preparation of this report could not have been accomplished without the efficient and dedicated services of the Little Silver Superintendent's Office and Business Office staff.

Respectfully submitted,

Eric Platt

#### INDEPENDENT AUDITOR'S REPORT

Honorable President and Members of the Board of Education Little Silver School District: County of Monmouth Little Silver, New Jersey

# Report on the Audit of the Financial Statements

#### **Opinions**

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Little Silver School District in the County of Monmouth, State of New Jersey, as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the School District's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above, present fairly in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Little Silver School District in the County of Monmouth, State of New Jersey as of June 30, 2023 and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Little Silver School District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Little Silver School District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of
  expressing an opinion on the effectiveness of Little Silver School District's internal
  control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Little Silver School District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison information, the schedules related to accounting and reporting for pensions and the schedules related to accounting and reporting for postemployment benefits other than pensions, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise of Little Silver School District's basic financial statements. The accompanying combining and individual nonmajor fund financial statements and schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements and the schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

#### Other Information

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

#### Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 14, 2023 on our consideration of Little Silver School District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Little Silver School District's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Little Silver School District's internal control over financial reporting and compliance.

Respectfully Submitted

Jump, Perry and Company L.L.P. Toms River, New Jersey

Kathryn Perry, Partner

Licensed Public School Accountant

No. CS 20CS00226400

REQUIRED SUPPLEMENTARY INFORMATION - PART I

#### Little Silver School District

#### Management's Discussion and Analysis

#### For the Fiscal Year Ended June 30, 2023

#### Unaudited

The discussion and analysis of Little Silver School District's financial performance provides an overall review of the School Board's financial activities for the fiscal year ended June 30, 2023. The intent of this discussion and analysis is to look at the School Board's financial performance as a whole; readers should also review the notes to the basic financial statements and financial statements to enhance their understanding of the School Board's financial performance.

#### **Financial Highlights**

Key financial highlights for June 30, 2023 are as follows:

Net position totaled \$20,237,275, which represents a 0.08 percent increase from June 30, 2022.

General revenues accounted for \$15,782,117 in revenue or 86.39 percent of all revenues. Program specific revenues in the form of charges for services, operating grants and contributions, and capital grants and contributions accounted for \$2,487,191 or 13.61 percent of total revenues of \$18,269,308.

Total assets increased by \$36,262,090 as current assets increased by \$34,364,715 and capital assets, net increased by \$1,897,375.

The School Board had \$18,253,046 in expenses; only \$2,487,191 of these expenses were offset by program specific charges for services, grants or contributions. General revenues (primarily property taxes) of \$15,782,117 were adequate to provide for these programs.

Among major funds, the General Fund had \$16,817,898 in revenues and \$16,244,760 in expenditures and transfers. The General Fund's balance increased \$573,138 over June 30, 2022. The General Fund's balance is \$5,874,260.

#### Using this Annual Comprehensive Financial Report (ACFR)

The annual report consists of a series of financial statements and notes to those statements. These statements are organized so the reader can understand Little Silver School District as a financial whole, an entire operating entity. The statements then proceed to provide an increasingly detailed look at specific financial activities.

The Statement of Net Position and Statement of Activities provide information about the activities of the School Board, presenting both an aggregate view of the School Board's finances and longer-term view of those finances. Fund financial statements provide the next level of detail. For government funds, these statements tell how services were financed in the short term as well as what remains for future spending. The fund financial statements also look at the School Board's most significant funds with all other non-major funds presented in total in one column. In the case of Little Silver School District, the General Fund is by far the most significant.

#### Reporting the School Board as a Whole

#### Statement of Net Position and the Statement of Activities

The Statement of Net Position and Statement of Activities provide information about the activities of the entire School District and are designed to provide readers with a broad overview of the District's finances, in a manner similar to private-sector business.

These statements include all assets, deferred outflows of resources, liabilities, and deferred inflows of resources using the accrual basis of accounting similar to the accounting used by most private-sector businesses. This basis of accounting takes into consideration all of the current year's revenues and expenses regardless of when cash is received or paid.

These two statements report the District's net position and changes in net position. The change in net position is important because it informs the reader that, for the School District as a whole, the financial position of the School District has improved or worsened. The causes of the change may be the result of many factors, some financial and some not. Non-financial factors include, but are not limited to, the District's property tax base, current laws in New Jersey restricting revenue growth, facility conditions, and required educational programs. In the Statement of Net Position and the Statement of Activities, the School Board is divided into two kinds of activities:

Governmental Activities - All of the School Board's programs and services are reported here including, instruction, support services, operation and maintenance of plant facilities, pupil transportation and extracurricular activities.

Business-Type Activities - This service is provided on a charge for goods or services basis to recover all the expense of the goods or services provided. The Food Service Funds are reported as a business activity.

# Reporting the School Board's Most Significant Funds

#### **Fund Financial Statement**

The Analysis of the School Board's major funds begins with Exhibit B-1. Fund financial reports provide detailed information about the School Board's major funds. The School Board's major governmental funds are the General Fund, Special Revenue Fund, Capital Projects Fund, and Debt Service Fund.

#### **Governmental Funds**

The School Board's activities are reported in governmental funds, which focus on how money flows into and out of the funds and balances left at year-end available for spending in the future years. These funds are reported using a modified accrual accounting method which measures cash and all other financial assets that can readily be converted to cash. The governmental fund statements provide a detailed short-term view of the School Board's general government operations and the basic services it provides. Governmental fund information helps determine whether there are more or fewer financial resources that can be spent in the near future to finance educational programs. The relationship between governmental activities (reported in the Statement of Net Position and the Statement of Activities) and governmental funds is reconciled in the financial statements.

#### **Enterprise Fund**

The Enterprise Fund uses the same basis of accounting as business-type activities.

#### The School Board as a Whole

The Statement of Net Position provides the financial perspective of the School Board as a whole.

Table 1 provides a summary comparison of the School Board's net position for June 30, 2023 and 2022.

Table 1

Net Position as of June 30, 2023 and June 30, 2022

	June 30, 2023			June 30, 2022			
	Governmental Activities	Business-type Activities	Total	Governmental Activities	Business-type Activities	Total	
Assets: Current and other assets Capital assets, net Total assets	\$ 39,847,833 20,144,450 59,992,283	\$ 99,827 2,820 102,647	\$ 39,947,660 20,147,270 60,094,930	\$ 5,506,386 18,246,190 23,752,576	\$ 76,559 3,705 80,264	\$ 5,582,945 18,249,895 23,832,840

Liabilities: Current liabilities Long-term liabilities outstanding Total liabilities	201,582 <u>39,377,266</u> <u>39,578,848</u>	11,612 - 11,612	213,194 <u>39,377,266</u> <u>39,590,460</u>	124,782 2,564,947 2,689,729	21,296 - 21,296	146,078 2,564,947 2,711,025	
Deferred inflow of resources	718,395		718,395	1,376,458		1,376,458	
Net position: Net investment in capital assets Restricted Unrestricted Total Net Position	(15,891,690) 38,591,549 (2,553,619) \$ 20,146,240	2,820 - 88,215 \$ 91,035	(15,888,870) 38,591,549 (2,465,404) \$ 20,237,275	17,875,191 4,484,108 (2,197,254) \$ 20,162,045	3,705 - 55,263 \$ 58,968	17,878,896 4,484,108 (2,141,991) \$ 20,221,013	

The unrestricted net position is a negative balance due to the unfunded liabilities for compensated absences and PERS pension. The District expects to be able to fund these liabilities as they come due yearly.

The School Board's combined net position was \$20,237,275 on June 30, 2023. This is a change of 0.08% from the previous year.

Table 2 provides a comparison analysis of School Board's changes in net position from fiscal years June 30, 2023 and 2022.

<u>Table 2</u> Changes in Net Position

The tax levy increase was due in general to cover increased costs in salaries and benefits, utilities and the debt service. The Federal and State aid-restricted increased due to the increase in grants available.

Regular instructional costs increased due to additional full time staff which led an increase in salary and benefits.

Other support services increased primarily due to the reduction in other purchased professional services from the Special Revenue Fund.

# Expenses for Fiscal Year June 30, 2023

# **Business-Type Activities**

Revenues for the District's business-type activities (food service program) were comprised of charges for services.

Total Enterprise Fund revenue exceeded expenses by \$32,067.

Charges for services represent \$437,522 of revenue. This represents the amount paid by patrons for daily food service and catering.

#### **Governmental Activities**

The Statement of Activities shows the cost of program services and the charges for services and grants offsetting those services. Table 3 shows the total costs of services and the net cost of services. The net cost shows the financial burden that was placed on the School District's taxpayers by each of these functions.

Table 3

Governmental Activities

		2023			2022				
	T	Total Cost of Services		Net Cost of Services		Total Cost of Services		Net Cost of Services	
Instruction Support Services:	\$	7,278,269	\$	6,753,978	\$	7,011,092	\$	6,718,457

of Facilities		5,692,941		5,692,941		5,392,659		5,392,659	
Pupil Transportation		485,595		424,935		565,156		565,156	
Interest and Fiscal Charges	_	702,682	_	702,682	_	41,563	_	41,563	
Total Expenditures	\$ <u></u>	17,846,298	\$_	15,796,629	\$_	18,347,856	\$_	16,789,615	

Instruction expenses include activities directly dealing with the teaching of pupils and the interaction between teacher and student, including extracurricular activities.

Extracurricular activities includes expenses related to student activities provided by the District which are designed to provide opportunities for students to participate in school and public events for the purpose of motivation, enjoyment, skill improvement, school spirit and leadership. Approximately 90% of the student population participates in extracurricular activities.

Pupils and instructional staff include the activities involved with assisting staff with the content and process of teaching to students, including curriculum and staff development.

General administration, school administration and business include expenses associated with administrative and financial supervision of the District.

Operation and maintenance of facilities activities involve keeping the school grounds, buildings, and equipment in an effective working condition.

Pupil transportation includes activities involved with the conveyance of students to and from school, to school curricular and athletic activities and field trips as provided by state law.

Interest and fiscal charges involve the transactions associated with the payment of interest and other related charges to debt of the District.

#### The School Board's Funds

The School Board uses funds to control and manage money for particular purposes. The Fund's basic financial statements allow the School Board to demonstrate its stewardship over and accountability for resources received from the Borough of Little Silver, State of New Jersey and other entities. These statements also allow the reader to obtain more insight into the financial workings of the School Board, and assess further the School Board's overall financial health.

As the School Board completed the fiscal year ended June 30, 2023, it reported a combined fund balance of \$39,646,251, which is an increase of \$34,264,647. The Statement of Revenues, Expenditures and Changes in Fund Balances of Governmental Funds, Exhibit B-2, presents the reader with a detailed explanation of the increase in fund balance for the fiscal year.

All governmental funds are accounted for using the modified accrual basis of accounting. The focus of the District's governmental funds is to provide information on near-term inflows, outflows, and balances of expendable resources. Such information is useful in assessing the District's financing requirements.

General Fund. The general fund is the main operating fund of the District. At the end of the current fiscal year, the total fund balance was \$5,874,260, including funds restricted for capital, maintenance and emergency reserves in the amount of \$4,759,665. \$- has been generated in current year excess surplus. \$- of prior year excess surplus has been designated for subsequent year's expenditures. \$59,893 is restricted for unemployment compensation. The remaining amount of \$1,054,702 represents the balance designated for subsequent year's expenditures. \$364,000 was designated for encumbrances offset by a general fund unassigned deficit of \$278,531 (unassigned fund balance netted with the delayed state aid payments) resulting in the \$412,171 balance assigned to other purposes.

*Special Revenue Fund.* The special revenue fund is used to track the proceeds of specific revenue sources that are restricted or committed to expenditures for specific purposes, other than debt service or capital projects. The fund balance of \$105,427 is restricted for student activity purposes.

Capital Projects Fund. The District uses the capital projects fund to account for financial resources to be used for the acquisition or construction of major capital projects (other than those financed by proprietary funds and trust funds).

The following schedule presents a summary of General Fund, Special Revenue Fund, Capital Projects Fund and Debt Service Fund revenues for the fiscal year ended June 30, 2023.

<u>Revenue</u>		2023 <u>Amount</u>	Percent of Total	Increase/ (Decrease) from 2022	Percent of Increase/ (Decrease)

Total	\$ <u>_</u>	19,496,020	<u>100.00</u> %	\$_	2,413,422	<u>14.13</u> %

#### **General Fund Budgeting Highlights**

The School Board's budget is prepared according to New Jersey law and is based on accounting for certain transactions on a basis of cash receipts, disbursements and encumbrances. The most significant budgeted fund is the General Fund.

Over the course of the year, the School Board revises its budget as it attempts to take into consideration unexpected changes in revenue and expenditures.

A schedule showing the School Board's original and final budget compared with actual operating results is provided in Section C of the ACFR, entitled Budgetary Comparison Schedules. The School Board generally did better than had been budgeted in its General Fund since it practices conservative budgetary practices in which revenues are forecasted very conservatively and expenditures are budgeted with worst-case scenarios in mind.

The General Fund finished the fiscal year approximately \$998,862 more than had been budgeted in terms of expenditures. Revenue-wise, the General Fund fared about \$275,182 better than expected. Both these amounts have been adjusted for the non-budgeted amounts reflected in the comparison schedule for reimbursed TPAF social security contributions and on-behalf TPAF post-retirement medical contributions.

The General Fund has restricted a portion of its Fund Balance. The restricted Fund Balance items are as follows:

Capital Reserve	\$ 3,520,477
Maintenance Reserve	1,092,138
Emergency Reserve	147,050
Unemployment Compensations	59,893
. ,	\$ 4,819,558

#### General Fund Budgeting Highlights (cont'd)

These restricted reserves are regulated as to their use by the State of New Jersey. Therefore, the Board places funds in the reserves in combination with the future financial needs of the District.

The expenditures were increased due to additional full time staff increases. The Little Silver School District prides itself on rigorous academic achievement and expends funds to support data driven decision making related to curriculum and instruction. Capital outlay expenditures decreased with the district anticipating an upcoming referendum.

The revenue situation arose primarily because of tuition received from out of district students.

The excesses will be carried forward into the beginning fund balance from the 2022-2023 fiscal year and will be used to reduce the local tax levy for the 2024-2025 fiscal year.

#### Capital Assets and Debt Administration

*Capital Assets.* At the end of the fiscal year June 30, 2023, the School Board had \$20,147,270 invested in land, buildings, and machinery and equipment.

<u>Table 4</u>
Capital Assets (Net of Depreciation) at June 30, 2023 and June 30, 2022

	Governm	ental Activities	Business-ty	ype Activities	Total		
	2023	2022	2023	2022	2023	2022	
Land	\$ 5,297,900	\$ 5,297,900	\$ -	\$ -	\$ 5,297,900	\$ 5,297,900	
Construction in Progress Building and	2,263,610	-	-	-	2,263,610	-	
Improvements	12,374,929	12,686,330	-	-	12,374,929	12,686,330	
Machinery and Equipment	208,01	261,960	2,820	3,705	210,831	265,665	
Total	\$ 20,144,450	\$ 18,246,190	\$ 2,820	\$ 3,705	\$ 20,147,270	\$ 18,249,895	

During the current fiscal year, \$- of capital assets were capitalized as additions. Increases in capital assets were offset by depreciation expense for the year.

*Debt Administration.* The District's long-term liabilities are as follows for the governmental and business-type activities:

	J	une 30, 2023	<u>Ju</u>	ne 30, 2022
Bonds Payable (net)	\$	32,100,000	\$	335,000
Bond Premium		3,909,416		-
Finance Purchases Agreements				
Payable		26,724		35,999

Compensated Absences payable	_	349,781		338,643
Total long-term liabilities	\$ <u>_</u>	38,477,451	\$	2,564,947

For more detailed information, please refer to the Capital Assets and Long-term debt notes in the basic financial statements.

#### **Economic Factors and Next Year's Budget**

For the 2022-2023 school year, the School Board was able to sustain its budget through the local tax levy, state education aid and local revenue sources. Approximately 17.05% of the School Board's revenue is from federal, state and local aid (restricted and not restricted), while 82.95% of total revenue is from local sources.

The \$(2,553,619) in unrestricted net position for all governmental activities represents the accumulated results of all past years' operations. It means that if the School Board had to pay off all bills today, including all of the School Board's non-capital liabilities (compensated absences, etc.), the School Board would have that much in value.

The 2022-2023 budget was adopted in March 2022 based in part on the state education aid the School Board anticipated receiving. Any future increases based on the enrollment formula, originally formulated to allocate state education aid amongst school boards, will be minimal. Future decreases in local revenue and state education aid will place additional burden on the Borough of Little Silver for increased aid.

The School Board anticipates a slight increase in enrollment for the 2023-2024 fiscal year. If the School Board were to experience a significant increase in enrollment with no appreciable increase in state aid for future budgets, the School Board will be faced with the following alternatives: (a) reduce programs and services, (b) increase local tax levy or (c) seek alternative sources of funding.

#### **Contacting the School Board's Financial Management**

This financial report is designed to provide our citizens, taxpayers, investors and creditors with a general overview of the School Board's finances and to show the School Board's accountability for the money it receives. If you have questions about this report or need additional information, you may contact the School Business Administrator/Board Secretary at Little Silver School District, 124 Willow Drive, Little Silver, NJ, 07739.

### Notes to Financial Statements

For the Year Ended June 30, 2023

# 1. Summary of Significant Accounting Policies

The financial statements of the Board of Education (the "Board") of Little Silver School District ("District") have been prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP") as applied to governmental units. The Governmental Accounting Standards Board ("GASB") is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the Board's accounting policies are described below.

# A. Reporting Entity:

The Board is an instrumentality of the State of New Jersey, established to function as an educational institution. The Board consists of elected officials and is responsible for the fiscal control of the District. A Superintendent is appointed by the Board and is responsible for the administrative control of the District.

The primary criterion for including activities within the District's reporting entity, as set forth in Section 2100 of the GASB Codification of Governmental Accounting and Financial Reporting Standards, is the degree of oversight responsibility maintained by the District. Oversight responsibility includes financial interdependency, selection of governing authority, designation of management, ability to significantly influence operations and accountability for fiscal matters. The district-wide financial statements include all funds and account groups of the District over which the Board exercises operating control. The operations of the District include elementary schools and middle schools located in Little Silver. There were no additional entities required to be included in the reporting entity under the criteria as described above, in the current fiscal year. Furthermore, the District is not includable in any other reporting entity on the basis of such criteria.

### B. Basis of Presentation

The School District's basic financial statements consist of District-wide statements, including a Statement of Net Position and a Statement of Activities, and Fund Financial Statements which provide a more detailed level of financial information. The Statement of Net Position includes the reporting of assets, deferred outflows, liabilities and deferred inflows. Items not meeting that definition of assets and liabilities have been classified as deferred outflows or deferred inflows. The deferred outflows are reported under assets and deferred inflows are reported under liabilities on the Statement of Net Position.

The School District has employees that are enrolled in a defined benefit plan operated by the State of New Jersey which creates deferred outflows and inflows as described in Note 10.

District-Wide Statements: The district-wide financial statements (A-1 and A-2) include the statement of net position and the statement of activities. These Statements include the financial activities of the overall District, except for fiduciary activities. All interfund activity, excluding the fiduciary funds, has been eliminated in the statement of activities. Individual funds are not displayed but the statements distinguish governmental activities, generally financed in whole or in part with fees charged to external customers.

### Notes to Financial Statements

For the Year Ended June 30, 2023

# 1. Summary of Significant Accounting Policies (Cont'd)

# B. Basis of Presentation (Cont'd):

The statement of net position presents the financial condition of the governmental and business-type activity of the District at fiscal year-end. The statement of activities presents a comparison between direct expenses and program revenues for the business-type activity of the District and for each function of the District's governmental activities. Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular function. Program revenues include (a) fees and charges paid by the recipients of goods or services offered by the programs and (b) grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Revenues that are not classified as program revenues, including all taxes, are presented as general revenues. The comparison of direct expenses with program revenues identifies the extent to which each governmental function or business segment is self-financing or draws from the general revenues of the District.

<u>Fund Financial Statements</u>: During the fiscal year, the District segregates transactions related to certain District functions or activities in separate funds in order to aid financial management and to demonstrate legal compliance. The fund financial statements provide information about the District's funds, including its fiduciary funds. Separate statements for each fund category - governmental, proprietary, and fiduciary - are presented. The New Jersey Department of Education (NJDOE) has elected to require New Jersey districts to treat each governmental fund as a major fund in accordance with the option noted in Governmental Accounting Standards. The NJDOE believes that the presentation of all funds as major is important for public interest and to promote consistency among district financial reporting models.

The District reports the following governmental funds:

<u>General Fund</u>: The general fund is the general operating fund of the District. It is used to account for all financial resources except those required to be accounted for in another fund. Included are certain expenditures for vehicles and movable instructional or non-instructional equipment which are classified in the Capital Outlay sub-fund.

As required by the New Jersey State Department of Education, the District includes in this fund budgeted Capital Outlay. Generally accepted accounting principles, as they pertain to governmental entities, state that General Fund resources may be used to directly finance capital outlays for long-lived improvements as long as the resources in such cases are derived exclusively from unrestricted revenues.

Resources for budgeted capital outlay purposes are normally derived from State of New Jersey Aid, district taxes and appropriated fund balances. Expenditures are those that result in the acquisition of or additions to capital assets for land, existing buildings, improvements of grounds, construction of buildings, additions to or remodeling of buildings and the purchase of built-in equipment. These resources can be transferred from and to Current Expense by Board resolution.

### Notes to Financial Statements

For the Year Ended June 30, 2023

# 1. Summary of Significant Accounting Policies (Cont'd)

# B. Basis of Presentation (Cont'd):

<u>Special Revenue Fund</u>: The special revenue fund is used to account for the proceeds of specific revenue from state and federal Government, (other than major capital projects, debt service or the enterprise funds) and local appropriations that are legally restricted to expenditures for specified purposes.

<u>Capital Projects Fund</u>: The capital projects fund is used to account for all financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by proprietary funds). The financial resources are derived from temporary notes or serial bonds that are specifically authorized by the voters as a separate question on the ballot either during the annual election or at a special election.

<u>Debt Service Fund</u>: The debt service fund is used to account for the accumulation of resources for, and the payment of principal and interest on bonds issued to finance major property acquisition, construction and improvement programs.

The District reports the following proprietary fund:

<u>Enterprise Funds</u>: The Enterprise Funds are utilized to account for operations that are financed and operated in a manner similar to private business enterprises where the intent of the District is that the costs (i.e. expenses including depreciation and indirect costs) of providing goods or services to the students on a continuing basis be financed or recovered primarily through user charges; or, where the District has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes.

The District's Enterprise Fund is comprised of the Food Service Fund.

Depreciation of all capital assets used by proprietary funds is charged as an expense against their operations. Accumulated depreciation is reported on proprietary fund balance sheets. Depreciation has been provided over the estimated useful lives using the straight-line method. The estimated useful lives are as follows:

Equipment 5-20 Years

Additionally, the District reports the following fund type:

<u>Fiduciary Funds</u>: The Fiduciary Funds are used to account for assets held by the District on behalf of others.

### Notes to Financial Statements

For the Year Ended June 30, 2023

# 1. Summary of Significant Accounting Policies (Cont'd)

# C. Basis of Accounting:

Basis of Accounting determines when transactions are recorded in the financial records and reported on the financial statements.

District-Wide, Proprietary, and Fiduciary Fund Financial Statements: The District-wide financial statements are prepared using the accrual basis of accounting. Governmental funds are accounted for using the "economic resources" measurement focus and the modified accrual basis of accounting; the Enterprise Fund and Fiduciary Funds are accounted for using the "economic resources" measurement focus and the accrual basis of accounting. Differences in the accrual basis of accounting arise in the recognition of revenue, the recording of unearned revenue, and in the presentation of expenses versus expenditures. The tax revenues are recognized in the year for which they are levied (see Note 1.D.). Revenue from grants, entitlements, and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied.

Governmental Fund Financial Statements: Governmental Funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when measurable and available. "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to pay liabilities of the current period. Expenditures are recorded when the related fund liability is incurred, except for principal and interest on general long-term debt, claims and judgments, and compensated absences, which are recognized as expenditures to the extent they have matured. General capital asset acquisitions are reported as expenditures in governmental funds. Proceeds of general long-term debt and acquisitions under capital releases are reported as other financing sources.

The financial statements of the District have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the Board's accounting policies are described below.

### D. Property Taxes

Ad Valorem (Property) Taxes are susceptible to accrual as under New Jersey State Statute a municipality is required to remit to its school district the entire balance of taxes in the amount voted upon or certified, prior to the end of the school year. The District records the entire approved tax levy as revenue (accrued) at the start of the fiscal year, since the revenue is both measurable and available. The District is entitled to receive moneys under the established payment schedule and the unpaid amount is considered to be an "accounts receivable".

### Notes to Financial Statements

For the Year Ended June 30, 2023

# 1. Summary of Significant Accounting Policies (Cont'd)

# E. Budgets/Budgetary Control

Annual appropriated budgets are prepared in the spring of each year for the general, special revenue and debt service funds. The budgets are submitted to the county office and are not voted upon in the annual school election. Budgets are prepared using the modified accrual basis of accounting. The legal level of budgetary control is established at line item accounts within each fund. Line item accounts are defined as the lowest (most specific) level of detail as established pursuant to the minimum chart of accounts referenced in N.J.A.C 6A:23:23-16.2(f).

All budget amendments/transfers must be approved by School Board resolution. Budget amendments during the year ended June 30, 2023 were insignificant.

Formal budgetary integration into the accounting system is employed as a management control device during the year. For governmental funds there are no substantial differences between the budgetary basis of accounting and generally accepted accounting principles with the exception of the legally mandated revenue recognition of the last state aid payment for budgetary purposes only and the special revenue fund as noted below. Encumbrance accounting is also employed as an extension of formal budgetary integration in the governmental fund types. Unencumbered appropriations lapse at fiscal year end.

The accounting records of the special revenue fund are maintained on the grant accounting budgetary basis. The grant accounting budgetary basis differs from GAAP in that the grant accounting budgetary basis recognizes encumbrances as expenditures and also recognizes the related revenues, whereas the GAAP basis does not. Sufficient supplemental records are maintained to allow for the presentation of GAAP basis financial reports.

# F. Encumbrances

Under encumbrance accounting purchase orders, contracts and other commitments for the expenditure of resources are recorded to reserve a portion of the applicable appropriation. Open encumbrances in governmental funds other than the special revenue fund are reported as reservations of fund balances at fiscal year end as they do not constitute expenditures or liabilities but rather commitments related to unperformed contracts for goods and services.

Open encumbrances in the special revenue fund, for which the District has received advances, are reflected in the balance sheet as deferred revenues at fiscal year end.

The encumbered appropriation authority carries over into the next fiscal year. An entry will be made at the beginning of the next fiscal year to increase the appropriation reflected in the certified budget by the outstanding encumbrance amount as of the current fiscal year end.

### Notes to Financial Statements

For the Year Ended June 30, 2023

# 1. Summary of Significant Accounting Policies (Cont'd)

# G. Cash, Cash Equivalents and Investments

Cash and cash equivalents include petty cash, change funds, cash in banks and all highly liquid investments with a maturity of three months or less at the time of purchase and are stated at cost plus accrued interest. U.S. Treasury and agency obligations and certificates of deposit with maturities of one year or less when purchased are stated at cost. All other investments are stated at fair value.

New Jersey school districts are limited as to the types of investments and types of financial institutions they may invest in. New Jersey statute 18A:2037 provides a list of permissible investments that may be purchased by New Jersey school districts.

N.J.S.A. 17:9-41 et. seq. establishes the requirements for the security of deposits of governmental units. The statute requires that no governmental unit shall deposit public funds in a public depository unless such funds are secured in accordance with the Act. Public depositories include Savings and Loan institutions, banks (both state and national banks) and savings banks the deposits of which are federally insured. All public depositories must pledge collateral, having a market value at least equal to five percent of the average daily balance of collected public funds, to secure the deposits of Governmental Units. If a public depository fails, the collateral it has pledged, plus the collateral of all other public depositories, is available to pay the full amount of their deposits to the Governmental Units.

# H. Tuition Receivable

Tuition charges were established by the District based on estimated costs. The charges are subject to adjustment when the final costs are determined.

# I. Tuition Payable

Tuition charges for the fiscal years 2022-2023 are based on rates established by the receiving district. These rates are subject to change when the actual costs have been determined.

# J. Inventories and Prepaid Expenses

Inventories and prepaid expenses, which benefit future periods are recorded as an expenditure during the year of purchase.

Inventories are valued at cost, using the first-in/first-out (FIFO) method. The costs of inventories are recorded as expenditures when consumed rather when purchased

### Notes to Financial Statements

For the Year Ended June 30, 2023

# 1. Summary of Significant Accounting Policies (Cont'd)

# K. Short-Term Interfund Receivables/Payables

Short-term interfund receivables/payables represent amounts that are owed, other than charges for goods or services rendered to/from a particular fund in the District and that are due within one year.

# L. Capital Assets

The District has established a formal system of accounting for its capital assets. Purchased or constructed capital assets are reported at cost. Donated capital assets are valued at their estimated acquisition value on the date received. The cost of normal maintenance and repairs is not capitalized. The District does not possess any infrastructure. The capitalization threshold used by school districts in the State of New Jersey is \$2,000.

All reported capital assets except for land and construction in progress are depreciated. Depreciation is computed using the straight-line method under the half-year convention over the following estimated useful lives:

	Estimated
Asset Class	<u>Useful Lives</u>
School Buildings	50
Building Improvements	20
Electrical/Plumbing	30
Vehicles	8
Office & Computer Equipment	5-10
Instructional Equipment	10
Grounds Equipment	15

In the fund financial statements, capital assets used in governmental fund operations are accounted for as capital outlay expenditures of the governmental fund upon acquisition. Capital assets are not capitalized and related depreciation is not reported in the fund financial statements.

# M. Compensated Absences

Compensated absences are those absences for which employees will be paid, such as vacation, sick leave, and sabbatical leave. A liability for compensated absences that are attributable to services already rendered, and that are not contingent on a specific event that is outside the control of the District and its employees, is accrued as the employees earn the rights to the benefits. Compensated absences that relate to future services, or that are contingent on a specific event that is outside the control of the District and its employees, are accounted for in the period in which such services are rendered or in which such events take place.

### Notes to Financial Statements

For the Year Ended June 30, 2023

# 1. Summary of Significant Accounting Policies (Cont'd)

# M. Compensated Absences (Cont'd)

In governmental and similar trust funds, compensated absences that are expected to be liquidated with expendable available financial resources are reported as an expenditure and fund liability in the fund that will pay for the compensated absences.

In proprietary and similar trust funds, compensated absences are recorded as an expense and liability of the fund that will pay for them.

### N. Unearned Revenue

Unearned revenue in the general and special revenue funds represent cash which has been received but not yet earned.

# O. Accrued Liabilities and Long-Term Obligations

All payables, accrued liabilities, and long-term obligations are reported on the District-wide financial statements. In general, governmental fund payables and accrued liabilities that, once incurred, are paid in a timely manner and in full from current financial resources are reported as obligations of the funds. Bonds are recognized as a liability on the fund financial statements when due.

# P. Deferred Outflows/Inflows of Resources

In addition to assets, the statement of net position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represent a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then.

In addition to liabilities, the statement of net position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to future periods and so will not be recognized as an inflow of resources (revenue) until that time.

# Q. Net Position

Net position represents the difference between assets and liabilities. Net investment in capital assets consists of capital assets, net of accumulated depreciation, reduced by the outstanding balance of any borrowing used for the acquisition, construction, or improvement of those assets. Net position is reported as restricted when there are limitations imposed on their use either through the enabling legislation adopted by the School District or through external restrictions imposed by creditors, grantors, or laws or regulations of other governments. The District's policy is to first apply restricted resources when an expense is incurred for purposes for which both restricted and unrestricted net position are available.

### Notes to Financial Statements

For the Year Ended June 30, 2023

# 1. Summary of Significant Accounting Policies (Cont'd)

### R. Fund Balance Reserve

Governmental Accounting Standards established fund balance classifications that comprise a hierarchy based primarily on the extent to which a government is bound to observe constraints imposed upon the use of the resources reported in governmental funds. Fund balances in the governmental funds financial statements are reported under the modified accrual basis of accounting and classified into the following five categories, as defined below:

- Nonspendable includes amounts that cannot be spent because they are either (a)
  not in spendable form or (b) legally or contractually required to be maintained
  intact. Assets included in this fund balance category include prepaid assets,
  inventories, long-term receivables, and corpus of any permanent funds.
- 2. Restricted includes amounts that can be spent only for the specific purposes stipulated by constitution, external resource providers, or through enabling legislation.
- Committed includes amounts that can be spent only for the specific purposes determined by a formal action of the government's highest level of decisionmaking authority.
- 4. Assigned amounts intended to be used by the government for specific purposes but do not meet the criteria to be classified as restricted or committed. This intent can be expressed by the Board of Education or through the Board of Education delegating this responsibility to the business administrator through the budgetary process.
- 5. Unassigned includes all spendable amounts not contained in the other classifications

# S. Revenues - Exchange and Non-exchange Transactions

Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded on the accrual basis when the exchange takes place. On the modified accrual basis, revenue is recorded in the fiscal year in which the resources are measurable and become available. Available means the resources will be collected within the current fiscal year or are expected to be collected soon enough thereafter to be used to pay liabilities of the current fiscal year. For the District, available means within sixty days of the fiscal year-end.

Non-exchange transactions, in which the District receives value without directly giving equal value in return, include property taxes, grants, entitlements, and donations. On the accrual basis, revenue from property taxes is recognized in the fiscal year for which the taxes are levied. Revenue from grants, entitlements, and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the fiscal year when use is first permitted; matching requirements, in which the School District must provide local resources to be used for a specified purpose; and expenditure requirements, in which the resources are provided to the School District on a reimbursement basis. On the modified accrual basis, revenue from non-exchange transactions must also be available before it can be recognized.

### Notes to Financial Statements

For the Year Ended June 30, 2023

# 1. Summary of Significant Accounting Policies (Cont'd)

# S. Revenues - Exchange and Non-exchange Transactions (Cont'd)

Under the modified accrual basis, the following revenue sources are considered to be both measurable and available at fiscal year-end: property taxes available as an advance, interest, and tuition.

# T. Operating Revenues and Expenses

Operating revenues are those revenues that are generated directly from the primary activity of the enterprise fund. For the School District, these revenues are sales for food service. Operating expenses are necessary costs incurred to provide the service that is the primary activity of the enterprise fund.

# U. Allocation of Indirect Expenses

The District reports all Direct Expenses by function in the Statement of Activities. Direct Expenses are those that are clearly identifiable with a function. Indirect Expenses are allocated to functions but are reported separately in the Statement of Activities. Employee Benefits, including the employer's share of Social Security, workers compensation, and medical and dental benefits, were allocated based on salaries of that program. Depreciation expense, where practicable, is specifically identified by function and is included in the Indirect Expense column of the Statement of Activities. Depreciation expense that could not be attributable to a specific function is considered an Indirect Expense and is reported separately in the Statement of Activities. Interest on long-term debt is considered an Indirect Expense and is reported separately on the Statement of Activities.

# V. Management Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of revenues and expenditures/expenses during the reporting period. Actual results could differ from those estimates.

# W. Change in Accounting Principles

On June 30, 2023, the District implemented the Governmental Accounting Standards Boards Statement No. 96, Subscription-Based Information Technology Arrangements, This Statement provides guidance on the accounting and financial reporting for subscription-based information technology arrangements (SBITAs) for government end users (governments). Statement No. 96 is effective for reporting periods beginning after June 15, 2022, and all reporting periods thereafter. Management has not yet determined the potential impact on the School District's financial statements. These changes were reviewed for the District's June 30, 2023 financial statements. The District will review new Subscription-Based Information Technology Arrangements annually to determine proper disclosure.

### Notes to Financial Statements

For the Year Ended June 30, 2023

# 1. Summary of Significant Accounting Policies (Cont'd)

# X. GASB Pronouncements

Statement No. 100, Accounting Changes and Error Corrections - An Amendment GASB Statement No. 62. The primary objective of this Statement is to enhance accounting changes and error corrections to provide more understandable, reliable, relevant, consistent and comparable information for making decision or assessing accountability. Statement No. 100 is effective for fiscal years beginning after June 15, 2023, and all reporting periods thereafter. Earlier application is encouraged.

Statement No. 101, *Compensated Absences*. The objective of this Statement is to better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. Statement No. 101 is effective for fiscal years beginning after December 15, 2023, and all reporting periods thereafter. Earlier application is encouraged.

# 2. Cash and Cash Equivalents

Custodial credit risk is the risk that, in the case of a bank failure, the Board's deposits may not be recovered. Although the Board does not have a formal policy regarding custodial credit risk, NJSA 17:9-414 et seq. requires that the governmental units shall deposit public funds in public depositories protected from loss under the provisions of GUDPA. Under the ACT, the first \$250,000 of governmental deposits in each insured depository is protected by FDIC. Public fund owned by the Board in excess of FDIC insured amounts are protected by GUDPA., However, GUDPA does not protect intermingled trust funds such as salary withholdings, student activity fund or other funds that may pass to the Board relative to the happening of a future condition. Such funds are shown as Uninsured and Uncollateralized in the schedule below. As of June 30, 2023, the School District's bank balance of \$40,771,203 was exposed to custodial credit risk as follows:

Insured under FDIC and GUDPA \$ 40,530,873

Uninsured and Uncollateralized \$ 240,330

\$ 40,771,203

### Notes to Financial Statements

For the Year Ended June 30, 2023

### 3. Investments

Pursuant to the Enabling Act, the funds of the District may be invested in any direct obligations of, or obligations as to which the principal and interest thereof is guaranteed by, the United States of America or other obligations as the District may approve.

Custodial Credit Risk: The District does not have a policy for custodial credit risk.

Credit Risk: Government Accounting Standards, require that disclosure be made as to the credit rating of all debt security investments except for obligations of U.S. government or investments guaranteed by the U.S. government. The District has no uninsured deposits.

Interest Rate Risk: The District does not have a policy to limit interest rate risk.

The District has no deposits invested.

# 4. Capital Reserve Account

A capital reserve account was established by the District for the accumulation of funds for use as capital outlay expenditures in subsequent fiscal years. The capital reserve account is maintained in the general fund and its activity is included in the general fund annual budget.

Funds placed in the capital reserve account are restricted to capital projects in the District's Long Range Facilities Plan, ("LRFP"). Upon submission of the LRFP to the department, a district may deposit funds by appropriating funds in the annual general fund budget certified for taxes or by transfer by board resolution at year end of any unanticipated revenue or unexpended line-item appropriation amounts, or both. A district may also appropriate amounts when the express approval of the voters has been obtained either by a separate proposal at budget time or by a special question at one of the four special elections authorized pursuant to N.J.S.A. 19:60-2. Pursuant to N.J.A.C. 6A:23A-14.1(g), the balance in the account cannot at any time exceed the local support costs of uncompleted capital projects in its approved LRFP.

The activity of the Capital Reserve for the July 1, 2022 to June 30, 2023 fiscal year is as follows:

Balance, July 1, 2022	\$ 2,817,722
Add:	
Interest Earned	22,755
Approved at June 2023 Meeting	705,000
Withdrawal in Budget	 (25,000)
Balance, June 30, 2023	\$ 3,520,477

### Notes to Financial Statements

For the Year Ended June 30, 2023

### 5. Maintenance Reserve Account

A Maintenance Reserve Account was established by the Little Silver School District for the accumulation of funds for use as maintenance of Capital Projects in subsequent fiscal years. The Maintenance Reserve Account is maintained in the General Fund and its activity is included in the General Fund annual budget.

Funds placed in the Maintenance Reserve Account are restricted to maintenance projects in the District's approved Comprehensive Maintenance Plan (CMP). Upon submission of the CMP to the New Jersey Department of Education, the District may increase the balance in the maintenance reserve by appropriating funds in the annual general fund budget certified for taxes or by transfer by board resolution at year end (June 1 to June 30) of any unanticipated revenue or unexpended line-item appropriation amounts, or both. The District may also appropriate additional amounts when the express approval of the voters has been obtained either by a separate proposal at budget time or by a special question at one of the four special elections authorized pursuant to N.J.S.A. 19:60-2. Pursuant to N.J.A.C. 6A:23A-14.2(g), the balance in the account cannot at any time exceed four percent of the replacement cost of the school district's school facilities for the current year.

The balance in the maintenance reserve does not exceed four percent of the replacement cost of the school district's school facilities for the current year at June 30, 2023.

The activity of the Maintenance Reserve for the July 1, 2022 to June 30, 2023 fiscal year is as follows:

Balance, July 1, 2022	\$ 1,384,195
Add:	
Interest	7,943
Approved at June 2023 Meeting	 -
Less:	
Budgeted transfer out	 (300,000)
Balance, at June 30, 2023	\$ 1,092,138

# Notes to Financial Statements

For the Year Ended June 30, 2023

# 6. Emergency Reserve Account

An Emergency Reserve Account was established by the Little Silver School District for the accumulation of funds in accordance with N.J.S.A. 18A:7F-41c(1). The Emergency Reserve Account is maintained in the General Fund and its activity is included in the General Fund annual budget. Funds placed in the Emergency Reserve Account are to finance unanticipated general fund expenditures required for a thorough and efficient education.

The activity of the Emergency Reserve for the July 1, 2022 to June 30, 2023 fiscal year is as follows:

Balance July 1, 2022	\$ 145,549
Add:	
Interest	1,501
Approved at June 2023 Meeting	 
Balance, June 30, 2023	\$ 147,050

# 7. Receivables

Receivables at June 30, 2023, consisted of accounts (rent and tuition), accrued interest, interfund, intergovernmental, and property taxes. All receivables are considered collectible in full. A summary of the principal items of governmental receivables is as follows:

	Fu	overnmental nd Financial Statements	istrict-Wide Financial statements
State Aid Federal Aid Interfunds	\$	401,052 107,949 8,853	\$ 401,052 107,949 -
Other		-

Depreciation expense was charged to governmental functions as follows:

Operations and maintenance	\$ <u> 365,350</u>
Total depreciation expense	\$ 365,350

### Notes to Financial Statements

# For the Year Ended June 30, 2023

### 9. Non-current Liabilities

During the fiscal year ended June 30, 2023 the following changes occurred in the non-current liabilities:

	<u>Ju</u>	Balance ine 30, 2022		<u>Additions</u>		Reductions	<u>J</u>	Balance une 30, 2023		Due within one year
Bonds payable Unamortized	\$	335,000	\$	31,815,000	\$	(50,000)	\$	32,100,000	\$	880,000
bond premiums		-		4,115,174		(205,758)		3,909,416		205,759
Capital leases		35,999		-		(9,275)		26,724		9,852
Compensated absences										
payable		338,634		11,147		-		349,781		-
Pension liability - PERS	_	1,855,305	_	236,225	_	<u> </u>		2,091,530	_	
·	\$	2,564,938	\$_	36,177,546	\$_	(265,033)	\$_	38,477,451	\$_	1,095,611

For governmental activities, the bonds payable are liquidated from the School District's debt service fund. Compensated absences, capital leases, and pension liability - PERS are liquidated by the general fund.

# A. Bonds Payable

Bonds are authorized in accordance with State law by the voters of the District through referendums. All bonds are retired in serial installments within the statutory period of usefulness. Bonds issued by the District are general obligation bonds. The bonds issued were used for various capital projects within the District.

In 2012, the District issued \$750,000 of School District Bonds in order to fund various facility upgrades within the school district. The bonds are due to mature annually through the 2027 fiscal year at annual interest rates ranging from 2.75% to 3.00%.

In 2022, the District issued \$31,815,000 of bonds in order to fund various facility upgrades within the school district. The bonds are due to mature annually through the 2042 fiscal year at annual interest rate of 5.00%. The 2022 bond included a bond premuim of \$4,115,174 which is amortized over the life of the bond.

Principal and interest due on serial bonds outstanding is as follows:

Year ended			
June 30,	Principal	Interest	Total
2024	\$ 880,000	\$ 1,811,431	\$ 2,691,431
2025	1,155,000	1,527,869	2,682,869
2026	1,155,000	1,471,356	2,626,356
2027	1,195,000	1,413,825	2,608,825
2028	1,250,000	1,353,900	2,603,900
2029-2033	6,895,000	5,787,625	12,682,625
2034-2038	8,800,000	3,835,250	12,635,250
2039-2043	<u> 10,770,000</u>	<u>1,366,000</u>	<u>12,136,000</u>
	\$ <u>32,100,000</u>	\$ <u>18,567,256</u>	\$ <u>50,667,256</u>

### Notes to Financial Statements

For the Year Ended June 30, 2023

# 9. Non-current Liabilities (Cont'd)

### B. Bonds Authorized But Not Issued

As of June 30, 2023 the District had no authorized but not issued bonds.

# C. Finance Purchases Payable

The District is leasing equipment under various finance purchase agreements. During 2021, equipment of \$48,336 financed by the lease was recorded in machinery and equipment. The following is a schedule of the remaining future minimum lease payments under the finance purchase agreement and the present value of the net minimum lease payments at June 30, 2023:

Year ended June 30,	
2024	\$ 11,202
2025	11,202
2026	 6,534
Total minimum lease payments	28,938
Less: amounts representing interest	 (2,214)
Present value of lease payments	\$ 26,724

Amortization of the equipment under the finance purchase agreements is included with depreciation expense. The depreciable life is 5 years and the accumulated depreciation at June 30, 2023 was \$19,334.

### 10. Pension Plans

# A. Public Employees' Retirement System (PERS)

**Plan Description** - The State of New Jersey, Public Employees' Retirement System (PERS) is a cost-sharing multiple-employer defined benefit pension plan administered by the State of New Jersey, Division of Pensions and Benefits (the Division). For additional information about PERS, please refer to Division's annual financial statement which can be found at www.state.nj.us/treasury/pensions/annual-reports.shtml.

The vesting and benefit provisions are set by *N.J.S.A.* 43:15A. PERS provides retirement, death and disability benefits. All benefits vest after ten years of service.

The following represents the membership tiers for PERS:

<u>Tier</u> 1	<u>Definition</u>
1	Members who were enrolled prior to July 1, 2007
2	Members who were eligible to enroll on or after July 1, 2007 and prior to November 2, 2008
3	Members who were eligible to enroll on or after November 2, 2008 and prior to May 22, 2010
4	Members who were eligible to enroll on or after May 22, 2010 and prior to June 28, 2011
5	Members who were eligible to enroll on or after June 28, 2011

### Notes to Financial Statements

For the Year Ended June 30, 2023

# 10. Pension Plans (Cont'd)

# A. Public Employees' Retirement System (PERS) (Cont'd)

Service retirement benefits of 1/55th of final average salary for each year of service credit is available to tiers 1 and 2 members upon reaching age 60 and to tier 3 members upon reaching age 62. Service retirement benefits of 1/60th of final average salary for each year of service credit is available to tier 4 members upon reaching age 62 and tier 5 members upon reaching age 65. Early retirement benefits are available to tiers 1 and 2 members before reaching age 60, tiers 3 and 4 with 25 years or more of service credit before age 62, and tier 5 with 30 years or more of service credit before age 65. Benefits are reduced by a fraction of a percent for each month that a member retires prior to the age at which a member can receive full early retirement benefits in accordance with their respective tier. Tier 1 members can receive an unreduced benefit from age 55 to age 60 if they have at least 25 years of service. Deferred retirement is available to members who have at least 10 years of service credit and have not reached the service retirement age for the respective tier.

Contributions - The contribution policy for PERS is set by N.J.S.A. 43:15A and requires contributions by active members and contributing employers. State legislation has modified the amount that is contributed by the State. The State's pension contribution is based on an actuarially determined amount which includes the employer portion of the normal cost and an amortization of the unfunded accrued liability. Funding for noncontributory group insurance benefits is based on actual claims paid. For fiscal year 2022, the State's pension contribution was less than the actuarial determined amount.

The local employers' contribution amounts are based on an actuarially determined rate, which includes the normal cost and unfunded accrued liability. Chapter 19, P.L. 2009 provided an option for local employers of PERS to contribute 50% of the normal and accrued liability contribution amounts certified for payments due in State fiscal year 2009. Such employers will be credited with the full payment and such amounts will not be included in their unfunded liability. The actuaries will determine the unfunded liability of those retirement systems, by employer, for the reduced normal and accrued liability contributions provided under this law. This unfunded liability will be paid by the employer in level annual payments over a period of 15 years beginning with the payments due in the fiscal year ended June 30, 2012 and will be adjusted by the rate of return on the actuarial value of assets.

# Pension Liability, Pension Expense and Deferred Outflows/Inflows of Resources - At

June 30, 2023, the School District reported a liability of \$2,091,530 for its proportionate share of the PERS net pension liability. The net pension liability was measured as of June 30, 2022. The total pension liability used to calculate the net pension liability was determined using update procedure to roll forward the total pension liability from an actuarial valuation as of July 1, 2021, to the measurement date of June 30, 2022. The School District's proportion of the net pension liability was based on the School District's actual contributions to the plan relative to the total of all participating employers' contributions for the year ended June 30, 2022. The School District's proportion measured as of June 30, 2021, was .0138591074%, which was an decrease of .0018021050% from its proportion measured as of June 30, 2021.

### Notes to Financial Statements

# For the Year Ended June 30, 2023

# 10. Pension Plans (Cont'd)

# A. Public Employees' Retirement System (PERS) (Cont'd)

For the year ended June 30, 2023, the School District recognized full accrual pension expense of \$(31,508) in the government-wide financial statements consisting of employer contributions of \$174,770 and non-employer contributions of \$(206,278). This pension expense was based on the pension plans June 30, 2022 measurement date. At June 30, 2023, the School District reported deferred outflows of resources and deferred inflows of resources related to PERS from the following sources:

		Deferred	Deferred
		Outflows of	Inflows of
	<u>F</u>	Resources	Resources
Differences between expected and actual experience	\$	15,096	\$ 13,312
Changes of assumptions		6,480	313,185
Net difference between projected and actual			
earnings on pension plan investments		86,567	-
Changes in proportion and differences between			
District contributions and proportionate share of			
contributions		141,165	391,898
District contributions subsequent to the			
measurement date		201,892	-
Total	\$	451,200	\$ 718,395

\$201,892 reported as deferred outflows of resources resulting from school district contributions subsequent to the measurement date is estimated based on unadjusted 2022-2023 total salaries for PERS employees multiplied by an employer contribution rate. The payable is due on April 1, 2024 and will be recognized as a reduction of the net pension liability in the year ended June 30, 2023. The other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year ended Ju	ıne 30:	
2023	\$	(385,422)
2024		(196,360)
2025		(95,760)
2026		208,914
2027		(459)
Thereafter		
Total	\$	(469,087)

# Notes to Financial Statements

# For the Year Ended June 30, 2023

# 10. Pension Plans (Cont'd)

# A. Public Employees' Retirement System (PERS) (Cont'd)

The amortization of the above other deferred outflows of resources and deferred inflows of resources related to pensions will be over the following number of years:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between Expected and		
Actual Experience		
Year of Pension Plan Deferral:	= 40	
June 30, 2017	5.48	-
June 30, 2018	-	5.63
June 30, 2019	- - 10	5.21
June 30, 2020	5.16	-
June 30, 2021	5.13	- - 04
June 30, 2022	-	5.04
Changes of Assumptions		
Year of Pension Plan Deferral:		
June 30, 2017	-	5.48
June 30, 2018	-	5.63
June 30, 2019	-	5.21
June 30, 2020	-	5.16
June 30, 2021	5.13	-
June 30, 2021	-	5.04
Net Difference between projected and		
Actual Earnings on Pension Plan		
Investments		
Year of Pension Plan Deferral:		
June 30, 2017	5.00	5.00
June 30, 2018	5.00	5.00
June 30, 2019	5.00	5.00
June 30, 2020	5.00	5.00
June 30, 2021	5.00	5.00
June 30, 2022	5.00	5.00

The previous amounts do not include employer specific deferred outflows of resources and deferred inflows of resources related to changes in proportion. These amounts should be recognized (amortized) by each employer over the average of the expected remaining service lives of all plan members, which is 5.04, 5.13, 5.16, 5.21, 5.63, and 5.48 years for the 2022, 2021, 2020, 2019, 2018, and 2017, respectively.

### Notes to Financial Statements

# For the Year Ended June 30, 2023

# 10. Pension Plans (Cont'd)

# A. Public Employees' Retirement System (PERS) (Cont'd)

**Actuarial Assumptions** - The collective total pension liability for the June 30, 2022 measurement date was determined by an actuarial valuation as of July 1, 2021, which was rolled forward to June 30, 2022. This actuarial valuation used the following assumptions:

Inflation Rate

Price 2.75% Wage 3.25%

Salary Increases: 2.75% - 6.55%
Based on years of service

Investment Rate of Return

Pre-retirement mortality rates were based on the Pub-2010 General Below-Median Income Employee mortality table with an 82.2% adjustment for males and 101.4% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Post-retirement mortality rates were based on the Pub-2010 General Below-Median Income Healthy Retiree mortality table with a 91.4% adjustment for males and 99.7% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Disability retirement rates used to value disabled retirees were based on the Pub-2010 Non-Safety Disabled Retiree mortality table with a 127.7% adjustment for males and 117.2% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Mortality improvement is based on Scale MP-2021.

7.00%

The actuarial assumptions used in the July 1, 2021 valuation were based on the results of an actuarial experience study for the period July 1, 2018 to June 30, 2021.

In accordance with State statute, the long-term expected rate of return on plan investments (7.00% at June 30, 2022) is determined by the State Treasurer, after consultation with the Directors of the Division of Investments and Division of Pensions and Benefits, the board of trustees and the actuaries. The long-term expected rate of return was determined using a building block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in PERS's target asset allocation as of June 30, 2022 are summarized in the following table:

### Notes to Financial Statements

Cash Equivalents	4.00 %	1.75 %
U.S. Treasuries	4.00 %	1.75 %
Risk Mitigation Strategies	3.00 %	4.91 %

# **Discount Rate**

The discount rate used to measure the total pension liability was 7.00% as of June 30, 2022. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current member contribution rates and that contributions from employers and the nonemployer contributing entity will be based on 100% of the actuarially determined contributions for the State employer and 100% of actuarially determined contributions for the local employers. Based on those assumptions, the plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on plan investments was applied to all projected benefit payments to determine the total pension liability.

### B. Teachers' Pension and Annuity (TPAF)

**Plan Description** - The State of New Jersey, Teachers' Pension and Annuity Fund (TPAF) is a cost sharing multiple-employer defined benefit plan with a special-funding situation, by which a State of New Jersey (the State) is responsible to fund 100% of the employer contributions, excluding any local employer early retirement incentive (ERI) contributions. TPAF is administered by the State of New Jersey, Division of Pensions and Benefits (the Division). For additional information about TPAF, please refer to Division's annual financial statements which can be found at www.state.nj.us/treasury/pensions/annual-reports.shtml.

The vesting and benefit provisions are set by N.J.S.A 18A:66. TPAF provides retirement, death, and disability benefits. All benefits vest after ten years of service. Members are always fully vested for their own contributions and, after three years of service credit, become vested for 2% of related interest earned on the contributions. In the case of death before retirement, members' beneficiaries are entitled to full interest credited to the members' accounts.

### Notes to Financial Statements

For the Year Ended June 30, 2023

# 10. Pension Plans (Cont'd)

# B. Teachers' Pension and Annuity (TPAF) (Cont'd)

The following represents the membership tiers for TPAF:

<u>Tier</u>	<u>Definition</u>
1	Members who were enrolled prior to July 1, 2007
2	Members who were eligible to enroll on or after July 1, 2007 and prior to November 2, 2008
3	Members who were eligible to enroll on or after November 2, 2008 and prior to May 22, 2010
4	Members who were eligible to enroll on or after May 22, 2010 and prior to June 28, 2011
5	Members who were eligible to enroll on or after June 28, 2011

Service retirement benefits of 1/55th of final average salary for each year of service credit is available to tiers 1 and 2 members upon reaching age 60 and to tier 3 members upon reaching age 62. Service retirement benefits of 1/60th of final average salary for each year of service credit is available to tier 4 members upon reaching age 62 and tier 5 members upon reaching age 65. Early retirement benefits are available to tiers 1 and 2 members before reaching age 60, tiers 3 and 4 with 25 years or more of service credit before age 62, and tier 5 before age 65 with 30 years or more of service credit. Benefits are reduced by a fraction of a percent for each month that a member retires prior to the retirement age for his/her respective tier. Tier 1 members can receive an unreduced benefit from age 55 to age 60 if they have at least 25 years of service. Deferred retirement is available to members who have at least 10 years of service credit and have not reached the service retirement age for the respective tier.

**Contributions** - The contribution policy for TPAF is set by *N.J.S.A.* 18A:66 and requires contributions by active members and contributing employers. State legislation has modified the amount that is contributed by the State. The State's pension contribution is based on an actuarially determined amount, which includes the employer portion of the normal cost and an amortization of the unfunded accrued liability. Funding for noncontributory group insurance benefits is based on actual claims paid. For fiscal year 2022, the State's pension contribution was less than the actuarial determined amount.

As mentioned previously, the employer contributions for local participating employers are legally required to be funded by the State in accordance with *N.J.S.A. 18A:66-33*. Therefore, the School District is considered to be in a special funding situation as defined by GASB Statement No. 68 and the State is treated as a nonemployer contributing entity. Since the School District does not contribute directly to the plan (except for employer specific financed amounts), there is no net pension liability or deferred outflows or inflows to report in the financial statements of the School District.

**Pension Liability and Pension Expense -** The State's proportionate share of the TPAF net pension liability, attributable to the School District as of June 30, 2022 was \$31,618,800. The School District's proportionate share was \$0.

### Notes to Financial Statements

# For the Year Ended June 30, 2023

# 10. Pension Plans (Cont'd)

# B. Teachers' Pension and Annuity (TPAF) (Cont'd)

The net pension liability was measured as of June 30, 2022, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2021, which was rolled forward to June 30, 2022. The State's proportionate share of the net pension liability associated with the District was based on projection of the State's long-term contributions to the pension plan associated with the District relative to the projected contributions by the State associated with all participating school districts, actuarially determined. At June 30, 2022, the State proportionate share of the TPAF net pension liability attributable to the School District was .0612833757%, which was an increase of .0002561977% from its proportion measured as of June 30, 2021.

For the fiscal year ended June 30, 2023, the State of New Jersey recognized a pension expense in the amount of \$2,371,874 for the State's proportionate share of the TPAF pension expense attributable to the School District. This pension expense was based on the pension plans June 30, 2022 measurement date.

**Actuarial Assumptions** - The collective total pension liability for the June 30, 2022 measurement date was determined by an actuarial valuation as of July 1, 2021, which was rolled forward to June 30, 2022. This actuarial valuation used the following assumptions, applied to all periods in the measurement:

Inflation Rate

Price 2.75% Wage 3.25%

Salary Increases: 2.75-5.65%

based on years of service

Investment Rate of Return 7.00%

Pre-retirement mortality rates were based on the Pub-2010 Teachers Above-Median Income Employee mortality table with a 93.9% adjustment for males and 85.3% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Post-retirement mortality rates were based on the Pub-2010 Teachers Above-Median Income Healthy Retiree mortality table with a 114.7% adjustment for males and 99.6% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Disability mortality rates were based on the Pub-2010 Non-Safety Disabled Retiree mortality table with a 106.3% adjustment for males and 100.3% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Mortality improvement is based on Scale MP-2021.

The actuarial assumptions used in the July 1, 2021 valuation were based on the results of an actuarial experience study for the period July 1, 2018 to June 30, 2021.

### Notes to Financial Statements

For the Year Ended June 30, 2023

# 10. Pension Plans (Cont'd)

# C. Defined Contribution Retirement Plan (DCRP)

The Defined Contribution Retirement Plan is a cost-sharing multiple-employer defined contribution pension plan which was established on July 1, 2007, under the provisions of Chapter 92, P.L. 2007 and Chapter 103, P.L. 2007 (N.J.S.A.43:15C-1 et. seq), and expanded under the provisions of Chapter 89, P.L. 2008 and Chapter 1, P.L. 2010. The Defined Contribution Retirement Program Board oversees the DCRP, which is administered for the Divisions of Pensions and Benefits by Prudential Financial. The DCRP provides eligible members, and their beneficiaries, with tax-sheltered, defined contribution retirement benefit, along with life insurance and disability coverage. Vesting and benefit provisions are established by N.J.S.A.43:15C-1 et. seq.

The contribution requirements of plan members are determined by State statute. In accordance with Chapter 92, P.L. 2007 and Chapter 103, P.L. 2007, plan members are required to contribute 5.5% of their annual covered salary. In addition to the employee contributions, the School District's contribution amounts for each pay period are transmitted to Prudential not later than the fifth business day after the date on which the employee is paid for that pay period.

The District's contributions to the DCRP for June 30, 2023 were \$3,448. There was no liability for unpaid contributions at June 30, 2023.

**Related Party Investments** - The Division of Pensions and Benefits does not invest in securities issued by the School District.

### Notes to Financial Statements

For the Year Ended June 30, 2023

# 11. Post-Retirement Benefits

### General Information about the OPEB Plan

# Plan description and benefits provided

The State of New Jersey reports a liability as a result of its statutory requirements to pay other post- employment (health) benefit for State Health Benefit Local Education Retired Employees Plan. The State Health Benefit Local Education Retired Employees Plan is a multiple-employer defined benefit OPEB plan that is administered on a pay-as-you-go basis. Accordingly, no assets are accumulated in a qualifying trust that meets the criteria in paragraph 4 of GASB Statement No. 75, Accounting and Financial Reporting for the Postemployment Benefits Other Than Pensions. The State Health Benefit Local Education Retired Employees Plan provides medical, prescription drug, and Medicare Part B reimbursement to retirees and their covered dependents of local education employers.

The employer contributions for the participating local education employers are legally required to be funded by the State of New Jersey in accordance with N.J.S.A 52:14-17.32f. According to N.J.S.A 52:14-17.32f, the State provides employer-paid coverage to employees who retire from a board of education or county college with 25 years or more of service credit in, or retires on a disability pension from, one or more of the following plans: the Teachers' Pension and Annuity Fund (TPAF), the Public Employees' Retirement System (PERS), the Police and Firemen Retirement System (PFRS), or the Alternate Benefit Program (ABP). Pursuant to Chapter 78, P.L, 2011, future retirees eligible for postretirement medical coverage who have less than 20 years of creditable service on June 28, 2011 will be required to pay a percentage of the cost of their health care coverage in retirement provided they retire with 25 or more years of pension service credit. The percentage of the premium for which the retiree will be responsible will be determined based on the retiree's annual retirement benefit and level of coverage.

The total nonemployer OPEB liability does not include certain other postemployment benefit obligations that are provided by the local education employers. The reporting of these benefits are the responsibility of the individual local education employers.

### Notes to Financial Statements

For the Year Ended June 30, 2023

# 11. Post-Retirement Benefits (cont'd)

# General Information about the OPEB Plan (cont'd)

Pension and Other Postemployment Benefits (OPEB) Obligations in Fiscal Year 2022 the State funded the various defined benefit pension systems at 108 percent of the full actuarially determined contributions. Employer contributions to the pension plans are calculated per the requirements of the governing State statutes using generally accepted actuarial procedures and practices. The actuarial funding method used to determine the State's contribution is a matter of State law. Any change to the funding method requires the approval of the State Legislature and the Governor. The amount the State actually contributes to the pension plans may differ from the actuarially determined contributions of the pension plans because the State's contribution to the pension plans is subject to the appropriation of the State Legislature and actions by the Governor. GASB Statement No. 68, Accounting and Financial Reporting for Pensions, requires participating employers to recognize their proportionate share of the collective net pension liability. Under the new statement, the calculation of the pension liability was changed to a more conservative methodology and each employer was allocated a proportional share of the pension plans' net pension liability. The State's share of the net pension liability, based on a measurement date of June 30, 2021, which is required to be recorded on the financial statements, is \$75.1 billion. The Fiscal Year 2023 projected aggregate State contribution to the pension plans of \$6.8 billion represents 104 percent of the actuarially determined contribution. The State provides post-retirement medical (PRM) benefits for certain State and other retired employees meeting the service credit eligibility requirements. In Fiscal Year 2022, the State paid PRM benefits for 161,238 State and local retirees. The State funds post-retirement medical benefits on a "pay-as-you-go" basis, which means that the State does not prefund, or otherwise establish a reserve or other pool of assets against the PRM expenses that the State may incur in future years. For Fiscal Year 2022, the State contributed \$1.9 billion to pay for "pay-as-you-go" PRM benefit costs incurred by covered populations, a slight increase from \$1.8 billion in Fiscal Year 2021. The State has appropriated \$2.1 billion in Fiscal Year 2023 as the State's contribution to fund increases in prescription drugs and medical claims costs. In accordance with the provisions of GASB Statement No. 75, Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions, the State is required to quantify and disclose its obligations to pay Other Postemployment Benefits (OPEB) to retired plan members. This new standard supersedes the previously issued guidance, GASB Statement No. 45, Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions, effective for Fiscal Year 2018. The 7 State is now required to accrue a liability in all instances where statutory language names the State as the legal obligor for benefit payments. The Fiscal Year 2022 State OPEB liability to provide these benefits is \$88.9 billion, a decrease of \$12.7 billion, or 12.5 percent from the \$101.6 billion liability recorded in Fiscal Year 2021. Additional information on Pensions and OPEB can be accessed on the Division of Pensions & Benefits Financial Reports webpage: https://www.state.nj.us/treasury/pensions/financial-reports.shtml.

# **Basis of Presentation**

The Schedule presents the State of New Jersey's obligation under NJSA 52:14-17.32f. The Schedule does not purport to be a complete presentation of the financial position or changes in financial position of the State Health Benefit Local Education Retired Employees Plan or the State of New Jersey. The accompanying Schedule was prepared in accordance with U.S. generally accepted accounting principles. Such preparation requires management of the State of New Jersey to make a number of estimates and assumptions relating to the reported amounts. Due to the inherent nature of these estimates, actual results could differ from those estimates.

# Employees covered by benefit terms

At June 30, 2021, the following employees were covered by the benefit terms:

Inactive plan members or beneficiaries currently receiving benefit payments	151,669
Active plan members	213,148
Total	364.817

# **Total Nonemployer OPEB Liability**

The total nonemployer OPEB liability as of June 30, 2022 was determined by an actuarial valuation as of June 30, 2021, which was rolled forward to June 30, 2022. The actuarial assumptions vary for each plan member depending on the pension plan the member is enrolled in. This actuarial valuation used the following actuarial assumptions, applied to all periods in the measurement:

Inflation Rate
Salary Increases Based on years of PEF service:
PFR

Discount Rate
Healthcare Cost Trend Rates
Retirees' Share of Benefit Related Costs

PERS 2.75%-6.55%
PFRS 3.25%-16.25%
TPAF 2.75%-4.25%
3.54%
4.5%-6.25%
1.5% of projected health insurance premiums for retirees

2.50%

# 11. Post-Retirement Benefits (Cont'd)

# Total Nonemployer OPEB Liability (Cont'd)

Preretirement mortality rates were based on the Pub-2010 Healthy "Teachers" (TPAF/ABP), "General" (PERS), and "Safety" (PFRS) classification headcount-weighted mortality table with fully generational mortality improvement projections from the central year using Scale MP-2021. Postretirement mortality rates were based on the Pub-2010 "General" classification headcount-weighted mortality table with fully generational mortality improvement projections from the central year using Scale MP-2021. Disability mortality was based on the Pub-2010 "General" classification headcount-weighted disabled mortality table with fully generational mortality improvement projections from the central year using Scale MP-2021 for current disables retirees. Future disabled retirees was based on the Pub-2010 "Safety" (PFRS), "General" (PERS), and "Teachers" (TPAF/ABP) classification headcount-weighted disabled mortality table with fully generational mortality improvement projections from the central year using Scale MP-2021.

Actuarial assumptions used in the July 1, 2021 valuation were based on the results of the TPAF, PERS and PFRS experience studies prepared for July 1, 2018 to June 30, 2021.

# Changes in the Total OPEB Liability reported by the State of New Jersey

Balance at June 30, 2021	\$ 60,007,650,970
Changes for the year: Service cost Interest on the total OPEB liability Changes of benefit terms Differences between expected and actual experiences Changes in assumptions Gross benefit payments by the state Contributions from members	2,770,618,025 1,342,187,139 - 1,399,200,736 (13,586,368,097) (1,329,476,059) 42,650,252
Net changes	(9,361,188,004)
Balance at June 30, 2022	\$ 50,646,462,966

# Discount rate

The discount rate used to measure the total OPEB liability was 3.54%. This represents the municipal bond return rate as chosen by the Division. The source is the Bond Buyer Go 20-Bond Municipal Bond Index, which includes tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher. As the long-term rate of return is less than the municipal bond rate, it is not considered in the calculation of the discount rate, rather the discount rate is set at the municipal bond rate.

### Notes to Financial Statements

For the Year Ended June 30, 2023

# 11. Post-Retirement Benefits (Cont'd)

# Sensitivity of the total OPEB liability to changes in the discount rate

The following presents the June 30, 2022 total OPEB liability of the State for school board retirees, as well as the State's total OPEB liability for the school district calculated using a discount rate that is 1-percentage-point lower or 1-percentage-point higher than the current discount rate:

	1% Decrease ( <u>2.54%)</u>	Current Discount Rate (3.54%)	1% Increase <u>(4.54%)</u>
Total OPEB Liability of the State for School Retirees	\$59,529,589,697	\$50,646,462,966	\$43,527,080,995
Total OPEB Liability of the State Associated with the School District for School Retirees	\$34,912,812	\$29,703,051	\$25,527,687

# **Health Care Trend Assumptions**

For pre-Medicare medical benefits, the trend rate is initially 6.25% and decreases to a 4.50% long-term trend rate after eight years. For post-65 medical benefits PPO, the trend is initially -1.99% in fiscal year 2023, increasing to 13.44% in fiscal year 2026 and decreases to 4.50% in fiscal year 2033. For HMO the trend is initially -3.54% in fiscal year 2023, increasing to 15.19% in fiscal year 2026 and decreases to 4.50% in fiscal year 2033. For prescription drug benefits, the initial trend rate is 8.00% and decreases to a 4.50% long-term trend rate after eight years. For the Medicare Part B reimbursement, the trend rate is 5.00%.

# Sensitivity of the total OPEB liability to changes in healthcare cost trend rates

The following presents the June 30, 2022 total OPEB liability of the State for school board retirees, as well as the State's total OPEB liability for the school district calculated using a health care cost trend rate that is 1-percentage-point lower or 1-percentage-point higher than the current healthcare cost trend rates:

	1% Decrease	Trend Rate	1% Increase
Total OPEB Liability of the State for School Retirees	\$41,862,397,291	\$50,646,462,966	\$62,184,866,625
Total OPEB Liability of the State Associated with the School District for School Retirees	\$24,551,387	\$29,703,051	\$36,470,074

# OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

For the year ended June 30, 2023, the board of education recognized OPEB expense of \$623,085 determined by the State as the total OPEB liability for benefits provided through a defined benefit OPEB plan that is not administered through a trust that meets the criteria in paragraph 4 of GASB 75 and in which there is a special funding situation.

In accordance with GASB 75, the Little Silver School District's proportionate share of school retirees OPEB is zero, there is no recognition of the allocation of proportionate share of deferred outflows of resources and deferred inflows of resources. At June 30, 2022, the State reported deferred outflows of resources and deferred inflows of resources related to retired school employee's OPEB from the following sources:

	Deferred Outflows of <u>Resources</u>	Deferred Inflows of <u>Resources</u>
Differences between expected and actual experience Changes of assumptions Contributions made in fiscal year ending 2023 after	\$ 9,042,402,619 8,765,620,577	\$ 15,462,950,679 17,237,289,230
June 30, 2022 measurement date Total	\$ - 17,808,023,196	\$ <u>32,700,239,909</u>

Amounts Recognized in the deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in the OPEB expense as follows:

Year ended June 3	30:	
2023	\$	(2,517,151,602)

2026		(2,175,449,761)
2027		(1,243,951,140)
Thereafter		(3,921,361,006)
Total	\$_	(14,892,216,713)

#### Notes to Financial Statements

For the Year Ended June 30, 2023

#### 12. Compensated Absences

The District accounts for compensated absences (e.g., unused vacation, sick leave) as directed by Governmental Accounting Standards.

District employees are granted varying amounts of sick leave in accordance with the districts personnel policy. District employees who are employed for twelve months are entitled to twelve paid sick leave days per fiscal school year. Unused sick leave may be accumulated and carried forward to the subsequent years. Upon separation the District shall pay the employee for unused sick leave in accordance with the Districts' agreements with the various employees. Vacation days not used during the year may only be carried forward with approval from the Superintendent.

The liability for vested compensated absences of the governmental fund types is recorded on the District-wide financials. The current portion of the compensated absences balance is shown separately from the long-term liability balance of compensated absences. The liability for vested compensated absences of the proprietary fund type is recorded within those funds as the benefits accrue to employees.

#### 13. Deferred Compensation

The Board offers its employees a choice of various deferred compensation plans created in accordance with Internal Revenue Code Section 403(b). The plans, which are administered by the entities listed below, permit participants to defer a portion of their salary until future years. Amounts deferred under the plans are not available to employees until termination, retirement, death or unforeseeable emergency. The plan administrators are as follows:

Lincoln Financial AXA Equitable Life Insurance Co. Metlife Resources AIG/Valic

#### 14. Risk Management

The District is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters.

<u>Property and Liability Insurance</u> - The District maintains commercial insurance coverage for property, liability, student accident and surety bonds. A complete schedule of insurance coverage can be found in the Statistical Section of this Annual Comprehensive Financial Report.

#### Notes to Financial Statements

For the Year Ended June 30, 2023

#### 14. Risk Management (Cont'd)

<u>Unemployment Compensation Insurance</u> - The District has elected to fund its New Jersey Unemployment Compensation Insurance under the "Benefit Reimbursement Method". Under this plan, the District is required to reimburse the New Jersey Unemployment Trust Fund for benefits paid to its former employees and charged to its account with the State. The District is billed quarterly for amounts due to the State. The following is a summary of District contributions, employee contributions, reimbursements to the State for benefits paid and the ending balance of the District's trust fund for the current and prior year:

District Financial	Employee		Amount	Ending
Year	Contributions	Interest	Reimbursed	Balance
2022-2023	\$ 16,326	594	(13,187)	\$ 59,893
2021-2022	15,714	-	-	56,160
2020-2021	14,347	65	(6,626)	40,446

#### 15. Interfund Receivables and Payables

The following interfund balances remained on the balance sheet at June 30, 2023:

	In	nterfund	Ir	Interfund			
	Re	ceivable	I	Payable			
General Fund	\$	8,853	\$	-			
Special Revenue Fund		-		-			
Debt Service Fund				8,853			
	\$	8,853	\$	8,853			

The General Fund owes the Special Revenue Fund for grant payments received by year end.

The Debt Service Fund owes the General Fund for refunding fees paid by the General Fund.

#### 16. Contingent Liabilities

#### **Grant Programs**

The school district participates in federal awards and state financial assistance grant programs. These programs are subject to program compliance audits by the grantors or their representatives. The school district is potentially liable for expenditures which may be disallowed pursuant to the terms of these grant programs. Management is not aware of any material items of noncompliance which would result in the disallowance of program expenditures.

The District is also involved in several claims and lawsuits incidental to its operations. In the opinion of the administration and legal counsel, the ultimate resolution of these matters will not have a material adverse effect on the financial position of the Board.

#### Notes to Financial Statements

#### For the Year Ended June 30, 2023

#### 17. Fund Balances

General Fund - of the \$5,874,260 General Fund balance at June 30, 2023, \$364,000 of encumbrances is assigned to other purposes, \$3,520,477 is restricted for capital reserve, \$1,092,138 is restricted for maintenance reserve, \$147,050 is restricted for the emergency reserve, \$- is restricted for excess surplus for subsequent year expenditures, \$59,893 is restricted for unemployment claims. \$278,531 has been classified as assigned fund balance designated for subsequent year expenditures, \$- is restricted for excess surplus and \$412,171 is unassigned.

Special Revenue Fund - of the \$105,427 Special Revenue Fund balance at June 30, 2023, \$105,427 is restricted for the use of student activities purposes.

#### 18. Calculation of Excess Surplus

In accordance with N.J.S.A. 18A:7F-7, as amended by P.L. 2004, c.73 (S1701), the designation for Restricted Fund Balance - Excess Surplus is a required calculation pursuant to the New Jersey Comprehensive Educational Improvement and Financing Act of 1996 (CEIFA). New Jersey school districts are required to reserve General Fund balance at the fiscal year end of June 30 if they did not appropriate a required minimum amount as budgeted fund balance in their subsequent years' budget. The excess fund balance at June 30, 2023 is \$-. The excess fund balance at June 30, 2022 was \$-.

#### 19. Uncertain Tax Positions

The school district had no unrecognized tax benefits at June 30, 2023. The school district files tax returns in the U.S. federal jurisdiction and various states. The school district has no open year prior to June 30, 2020.

#### 20. Subsequent Events

Management has evaluated subsequent events through November 14, 2023, the date the financial statements were available to be issued.

#### Notes to Financial Statements

For the Year Ended June 30, 2023

#### 21. Tax Abatement

As defined by the Governmental Accounting Standards Board (GASB), a tax abatement is an agreement between a government and an individual or entity in which the government promises to forgo tax revenues and the individual or entity promises to subsequently take a specific action that contributes to economic development or otherwise benefits the government or its citizens. School districts are not authorized by New Jersey statute to enter into tax abatement agreements. However, the county or municipality in which the school district is situated may have entered into tax abatement agreements, and that potential must be disclosed in these financial statements. If the county or municipality entered into tax abatement agreements, those agreements will not directly affect the school district's local tax revenue because N.J.S.A. 54:4-75 and N.J.S.A. 54:4-76 require that amounts so forgiven must effectively be recouped from other taxpayers and remitted to the school district.

#### 23. Economic Dependency

Economic Dependency - The School District receives a substantial amount of its support from federal and state governments. A significant reduction in the level of support, if this were to occur, could have an effect on the School District's programs and activities.

## LITTLE SILVER SCHOOL DISTRICT Direct and Overlapping Governmental Activities Debt As of June 30, 2023 UNAUDITED

Net direct debt of school district as of June 30, 2023	\$ 32,100,000
Net Overlapping Debt of School District:	
Borough of Little Silver (100%)	0
County of Monmouth - Little Silver share (1.364%)	 0
Subtotal, Overlapping Debt	0
Total direct and overlapping bonded debt as of June 30, 2023	\$ 32,100,000

**Sources:** Little Silver Chief Financial Officer and Monmouth County Treasurer's Office.

**Note:** For debt repaid with property taxes, the percentage of overlapping debt applicable is estimated using taxable assessed property values. Applicable percentages were estimated by determining the portion of another governmental unit's taxable value that is within the district's boundaries and dividing it by each unit's total taxable value.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Honorable President and Members of the Little Silver School District County of Monmouth Little Silver, New Jersey

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, and audit requirements as prescribed by the Office of School Finance, Department of Education, State of New Jersey, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Little Silver School District in the County of Monmouth, State of New Jersey, as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise of the Little Silver School District basic financial statements, and have issued our report thereon dated November 14, 2023.

#### Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Little Silver School District's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Little Silver School District's internal control. Accordingly, we do not express an opinion on the effectiveness of the Little Silver School District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the School District's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

#### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Little Silver School District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and audit requirements as prescribed by the Division of Finance, Department of Education, State of New Jersey.

#### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School District's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* and audit requirements as prescribed by the Office of School Finance, Department of Education, State of New Jersey in considering the School District's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Respectfully Submitted

#### INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND NEW JERSEY OMB CIRCULAR 15-08

Honorable President and Members of the Board of Education Little Silver School District County of Monmouth Little Silver, New Jersey

#### Report on Compliance for Each Major Federal and State Program

#### Opinion on Each Major Federal and State Program

We have audited Little Silver School District's compliance with the types of compliance requirements described in the OMB Compliance Supplement and the New Jersey OMB Circular 15-08 that could have a direct and material effect on each of Little Silver School District's major federal and state programs for the year ended June 30, 2023. Little Silver School District's major federal and state programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Little Silver School District complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal and state programs for the year ended June 30, 2023.

#### Basis for Opinion on Each Major Federal and State Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States and the audit requirements of *Title 2 U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and the New Jersey OMB Circular 15-08. Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Little Silver School District and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Little Silver School District's compliance with the compliance requirements referred to above.

#### Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Little Silver School District's federal and state programs.

#### Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Little Silver School District's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance and New Jersey OMB Circular 15-08 will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Little Silver School District's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and New Jersey OMB Circular 15-08, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Little Silver School District's, compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Little Silver School District's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and New Jersey OMB Circular 15-08, but not for the purpose of expressing an opinion on the effectiveness of Little Silver School District's, internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

#### Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal and state program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal and state program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal and state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and New Jersey OMB Circular 15-08. Accordingly, this report is not suitable for any other purpose

Respectfully submitted,

See accompanying Notes to Schedules of Expenditures of Awards and Financial Assistance are an integral part of this schedule.

#### Notes to Schedules of Awards and Financial Assistance

June 30, 2023

#### General

The accompanying schedules of expenditures of award present the activity of all federal and state awards of the Board of Education of Little Silver School District. The Board of Education is defined in Note 1(A) to the Board's general purpose financial statements. All federal and state awards received directly from federal and state agencies, as well as federal and state awards passed through other government agencies are included on the schedules of expenditures of federal and state awards.

#### 2. Basis of Accounting

The accompanying schedules of expenditures of federal and state awards are presented on the budgetary basis of accounting with the exception of programs recorded in the food service fund, which are presented using the accrual basis of accounting. These bases of accounting are described in Note 1 to the Board's basic financial statements.

#### 3. Relationship to Basic Financial Statements

The basic financial statements present the general fund and special revenue fund on a GAAP basis. Budgetary comparison statements or schedules (RSI) are presented for the general fund and special revenue fund to demonstrate finance-related legal compliance in which certain revenue is permitted by law or grant agreement to be recognized in the audit year, whereas for GAAP reporting, revenue is not recognized until the subsequent year or when expenditures have been made.

The general fund is presented in the accompanying schedules on the modified accrual basis with the exception of the revenue recognition of the one or more deferred June state aid payments in the current budget year, which is mandated pursuant to N.J.S.A. 18A:22-44.2. For GAAP purposes payments are not recognized until the subsequent budget year due to the state deferral and recording of the one or more June state aid payments in the subsequent year. The special revenue fund is presented in the accompanying schedules on the grant accounting budgetary basis which recognizes encumbrances as expenditures and also recognizes the related revenues, whereas the GAAP basis does not. The special revenue fund also recognizes the one or more state aid June payments in the current budget year, consistent with N.J.S.A. 18A:22-4.2.

The net adjustment to reconcile from the budgetary basis to the GAAP basis is \$(2,569,875) for the general fund, \$(11,292) for the special revenue fund. See Exhibit C-3 for a reconciliation of the budgetary basis to the GAAP basis of accounting for the general and special revenue fund. Awards and financial assistance revenues are reported in the Board's basic financial statements on a GAAP basis as presented on the following page.

#### Notes to Schedules of Awards and Financial Assistance

June 30, 2023

#### 3. Relationship to Basic Financial Statements (Cont'd)

	<u>Federal</u>		<u>State</u>		<u>Total</u>
General Fund	\$ -	\$	2,252,216	\$	2,252,216
Special Revenue Fund	 769,421	_	18,774	_	788,195
Total awards and financial assistance	\$ 769,421	\$_	2,270,990	\$_	3,040,411

#### 4. Relationship to Federal and State Financial Reports

Amounts reported in the accompanying schedules agree with the amounts reported in the related federal and state financial reports.

#### 5. Other

TPAF Social Security and Post Retirement/Medical Benefits Contributions represent the amounts reimbursed by the State for the employer's share of social security contributions and Post Retirement/Medical Benefits for TPAF members for the year ended June 30, 2023.

The TPAF post retirement/medical benefits expenditures are not subject to New Jersey OMB Circular 15-08.

#### 6. Indirect Costs

The District has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.
