Policy

SUPERVISION OF CONSTRUCTION

The Little Silver Board of Education directs that the Manager of Buildings, Grounds, and Custodial Services be responsible for the supervision of all building construction in this school district. Supervision shall include field inspection of the construction contractor's operations, administrative review of the activities of the architect relating to the construction, and any other construction matters relating to the interests of the school district.

The superintendent and/or business administrator shall report periodically to the board on the progress of the work of the construction contractor(s).

The board shall not employ for pay or contract for the paid services of any person serving in a position which involves regular contact with students unless the board has first determined, consistent with the requirements and standards of <u>N.J.S.A</u>. 18A:6-7.1 <u>et seq</u>., that no criminal history record information exists on file in the Federal Bureau of Investigation, Identification Division, or the State Bureau of Identification which would disqualify the individual from being employed or utilized in such capacity or position.

The superintendent shall direct the school business administrator/board secretary or designee to act as liaison to all construction contractors for school facility and construction projects to obtain a list of the individuals who will have regular contact with students and will be employed by or working for the contractor on a school district project that will be undergoing a criminal history record check pursuant to the requirements of <u>N.J.S.A.</u> 18A:6-7.1 <u>et seq</u>. The liaison shall provide the list of those contracted employees to the superintendent or designee and the Human Resources Director. The superintendent or designee and the Human Resources Director. The superintendent or designee and the Human Resources contracted company list in order to determine if the subject of that correspondence is either a school employee or an employee of any contract service provider and take appropriate action. No employee of a contracted service provider shall commence work at a school facility without having first obtained an approval for employment from the NJDOE. Approvals for employment of these contracted employees shall be maintained with the liaison and copies forwarded to the superintendent's office.

A change order involving additional cost will be submitted to the board for review and approval.

A change order not involving monetary considerations may be acted upon solely by the superintendent and/or business administrator and reported to the board.

The superintendent and school business administrator/board secretary will also ensure that designated construction areas are property secured, and that members of the public and unauthorized personnel are not permitted designated construction areas.

Upon completion of a building project and a final inspection of all its aspects by the architect, contractors, and school officials, a recommendation for acceptance shall be made to the board by the business administrator/board secretary or the superintendent.
