November 12, 2021

Dear Little Silver Families:

I hope this letter finds you well and preparing for the pending holiday season. The health and safety of our students and staff has always been and remains the top priority in the Little Silver School District. I am extremely grateful to our committed staff and families who continue to remain flexible and resilient, working together to support this common goal. With cold and flu season upon us, our school nurses are seeing an increase in non-Covid illnesses and viruses. It is important to remember that if your child is demonstrating any Covid-like symptoms, they should not report to school. Please take a few minutes to review the Covid-19 protocols on the district [website](#).

Also, children ages 5 to 11 are now eligible to get their Covid-19 vaccine. We are trying to partner with The Monmouth Regional Health Commission No. 1 to host a free Covid-19 vaccination clinic for our school community. Hopefully, we will have more information to share soon. In the meantime, we will continue to share information about other local vaccination clinics.

Lastly, as an update to our Covid-19 protocols, we are preparing to invite the community back into our schools for sports, concerts, and performances. While guidance allows for the community to attend these events, the in school mask mandate is in effect, and community interaction with students must be restricted. If you plan on attending a sporting event, concert, or performance, please wear a properly fitted mask at all times. Additionally, please do not congregate in the entranceways or hallways, and follow the guidelines and directions of district personnel.

Thank you again for all your support in moving our district forward. If you have any questions or concerns, please do not hesitate to contact me.

Committed to Excellence,

Eric Platt  
Acting Superintendent of Schools
